You can develop your skills and become a recognized specialist with the CompTIA Tech+ Certification Exam FC0-U71 Certification in addition to learning about new technology requirements.

## CompTIA Tech+ Certification Exam Sample Questions (Q42-Q47):

### NEW QUESTION # 42

Which of the following is a touch screen used for? (Choose two.)

- A. Input
- B. Processing

- C. Logging
- D. Storage
- E. Networking
- F. Output

**Answer: A,F**

Explanation:

A touch screen functions as both an input and output device. According to the CompTIA ITF+ FC0-U71 Official Study Guide:

"A touchscreen display is a hybrid device combining input and output. It shows visual output like a standard monitor but also allows the user to interact directly by touching the screen."

"Input devices allow users to provide data or control signals (e.g., keyboard, mouse, touchscreen)."

"Output devices show results from the computer's processing (e.g., monitor, printer, touchscreen)." Touchscreens display information (output) and receive user input through touch (input). They do not perform storage, networking, processing, or logging.

### NEW QUESTION # 43

A user plugs a new scanner into a computer and turns it on. The scanner is automatically detected. However, the OS will only respond to some, but not all, of the buttons on the scanner. Which of the following steps should the user take next to enable full functionality?

- A. Install any applicable software from the vendor's website.
- B. Update the computer's OS.
- C. Perform a test scan on the new device to the computer.
- D. Roll back the device driver to a previous version.

**Answer: A**

Explanation:

Installing the vendor's software often includes specific drivers and utilities needed to enable full functionality of all buttons and features on the scanner.

Other options:

\*Rolling back the driver is for troubleshooting new driver issues,

\*Testing a scan doesn't resolve missing features,

\*Updating the OS is useful but not likely to fix device-specific issues.

### NEW QUESTION # 44

A lab technician removes access from students who do not need to use a fileshare. Which of the following best describes this action?

- A. Multifactor authentication
- B. Least privilege model
- C. Single sign-on
- D. Non-repudiation

**Answer: B**

Explanation:

The least privilege model is a principle of giving users the minimum level of access needed to perform their roles. Removing unnecessary access aligns with this principle.

"Least privilege limits users to only the resources necessary for their duties, reducing the risk of unauthorized access." - CompTIA ITF+ Security Essentials Correct answer: A

### NEW QUESTION # 45

Which of the following types of AI is used to edit images?

- A. Assistive
- B. Chatbot

- C. Predictive
- **D. Generative**

**Answer: D**

Explanation:

Generative AI creates or modifies content, such as editing images, generating art, or producing media.

Other options:

\*Assistive AI supports tasks,

\*Predictive AI forecasts outcomes,

\*Chatbots simulate conversation but do not edit images.

#### **NEW QUESTION # 46**

Given the following table:

Which of the following fields best represents a primary key?

- A. Name
- B. Year
- **C. ID**
- D. Day
- E. Month

**Answer: C**

Explanation:

A primary key is a unique identifier for each record in a database table. It must be unique and not null across all rows. In this table, the field ID is the only column that uniquely identifies each row and does not repeat.

"A primary key is a field (or a set of fields) that uniquely identifies a record in a table. It ensures that each record can be uniquely retrieved." - CompTIA ITF+ Official Study Guide Analysis of other options:

Month, Day, Year, and Name can have duplicate values across multiple records and therefore do not serve as unique identifiers.

Correct answer: A

The ID field contains unique values for each record and is typically used as a primary key in a database. A primary key uniquely identifies each row in a table.

Month, Day, Year, and Name may have duplicates and do not guarantee uniqueness.

#### **NEW QUESTION # 47**

.....

We have a long history of 10 years in designing the FC0-U71 exam guide and enjoys a good reputation across the globe.
