- **B. the licensee's name and the name of the firm in which the licensee is active**

- D. the licensee's name, the name of the firm in which the licensee is active, the city and state in which the licensee's place of business is located, and the licensee's phone number

Answer: B

Explanation:

According to Virginia Real Estate Board advertising regulations (18 VAC 135-20-190):

All advertising must clearly include the licensee's name and the name of the firm with which the licensee is active.

For online advertising, the firm name must be "conspicuous, legible, and readily identifiable." The city/state of business or the licensee's phone number is not required by law in every ad.
