PRINCE2 7 Foundation written Exam Sample Questions (Q383-Q388):

NEW QUESTION # 383

What is a purpose of the 'quality' practice?

- A. To identify the user's expectations and determine how the project will achieve them
- B. To resolve off-specifications, that are Identified during the project, at the end of the project
- C. To predict whether the project will deliver on time and to cost and whether the benefits will outweigh the costs
- **D. To plan the project so that there is time to deal with quality defects late in the project**

Answer: D

Explanation:

The project manager needs to prioritize several criteria that the project product must meet for acceptance during the step of 'Describing the quality management approach'. This step involves defining how quality will be managed throughout the project, ensuring that all quality criteria are clearly identified, prioritized, and agreed upon by stakeholders. NEW QUESTION # 386

Which is a purpose of a Lessons Log?

- A. Record that corrective action is being taken
- B. Raise improvements with Project Assurance

- C. Note any lessons that are raised in Checkpoint Reports
- D. Escalate lessons to the Project Board

Answer: C

NEW QUESTION # 387

Which role is responsible for appointing the senior user in a project that is independent from a program?

- A. The project manager
- B. Corporate, program management or the customer
- C. Project assurance
- D. The executive

Answer: B

Explanation:

In PRINCE2, the role responsible for appointing the Senior User, as well as other key project roles such as the Executive and the Senior Supplier, is typically taken by someone from corporate or program management, or the customer. This aligns with the principle of clearly defined roles and responsibilities, ensuring that the project has clear governance and accountability. The Senior User is appointed to represent the interests of all those who will use the project's products, who will benefit from the outcomes, and those whose work might be impacted by the change.
