

350-401 Study Dumps, Authentic 350-401 Exam Questions

P.S. Free & New 350-401 dumps are available on Google Drive shared by Fast2test: <https://drive.google.com/open?id=1VLFqeLNTGC3n0ZkNZJvMQViESdqufF6O>

We will give you full refund if you fail to pass the exam after buying 350-401 exam torrent from us. We are pass guarantee and money back guarantee if you fail to pass the exam. And money will be returned to your payment account. In addition, 350-401 exam dumps are high- quality, and you can pass your exam just one time if you choose us. We offer you free update for 365 days for 350-401 Exam Dumps, and the latest version will be sent to your email automatically. We have online service, if you have any questions, you can have a chat with us.

Our 350-401 exam prep is elaborately compiled and highly efficiently, it will cost you less time and energy, because we shouldn't waste our money on some useless things. The passing rate and the hit rate are also very high, there are thousands of candidates choose to trust our 350-401 Guide Torrent and they have passed the exam. We provide with candidate so many guarantees that they can purchase our study materials no worries. The 350-401 exam prep we provide can help you realize your dream to pass exam and then own a 350-401 exam torrent.

Authentic 350-401 Exam Questions, Valid 350-401 Test Topics

If you really want to pass the real test and get the Cisco certification? At first, you should be full knowledgeable and familiar with the 350-401 certification. Even if you have acquired the knowledge about the 350-401 actual test, the worries still exist. You do not know what questions you may be faced with when attending the real test. Now, you need the 350-401 practice dumps which can simulate the actual test to help you. Our 350-401 training dumps can ensure you pass at first attempt.

Cisco Implementing Cisco Enterprise Network Core Technologies (350-401 ENCOR) Sample Questions (Q245-Q250):

NEW QUESTION # 245

What is a characteristic of MACsec?

- A. 802.1AE is built between the host and switch using the MKA protocol using keys generated via the Diffie-Hellman algorithm (anonymous encryption mode)
- B. 802.1AE is built between the host and switch using the MKA protocol, which negotiates encryption keys based on the master session key from a successful 802.1X session
- C. 802.1AE provides encryption and authentication services
- D. 802.1AE is negotiated using Cisco AnyConnect NAM and the SAP protocol

Answer: B

Explanation:

MACsec, defined in 802.1AE, provides MAC-layer encryption over wired networks by using out-of-band methods for encryption keying. The MACsec Key Agreement (MKA) Protocol provides the required session keys and manages the required encryption keys. MKA and MACsec are implemented after successful authentication using the 802.1x Extensible Authentication Protocol (EAP-TLS) or Pre Shared Key (PSK) framework.

NEW QUESTION # 246

Which configuration enables a device to be configured via NETCONF over SSHv2?

```
hostname Device
!
username admin password 0 admin
!
ip domain-name cisco.com
crypto key generate rsa modulus 2048
ip ssh version 2
!
netconf-yang
!
line vty 0 15
login local
```

- A.

```
hostname Device
!
aaa new-model
!
username cisco privilege 15 password cisco
!
ip domain-name cisco.com
crypto key generate rsa modulus 2048
ip ssh version 2
!
aaa authentication login default local
aaa authorization exec default local
!
netconf-yang
netconf ssh
```

• B.

```
hostname Device
!
username cisco1 privilege 15 password 0 cisco1
!
ip domain-name cisco.com
crypto key generate rsa modulus 2048
ip ssh version 2
!
netconf ssh
!
line vty 0 15
login local
```

• C.

```
hostname Device
!
aaa new-model
!
username admin privilege 15 password 0 admin
!
ip domain-name cisco.com
crypto key generate rsa modulus 2048
ip ssh version 2
!
netconf-yang
```

• D.

Answer: D

Explanation:

The configuration in Option C enables a device to be configured via NETCONF over SSHv2. This is evident as it includes the "netconf ssh" command, which is essential for enabling NETCONF over SSH. The configuration also includes other necessary commands like setting the hostname, username, and password, generating crypto keys, and specifying the IP domain name and SSH version.

NEW QUESTION # 247

Which time protocol offers security features and utilizes site-local IPv6 multicast addresses?

- A. NTPv3
- B. PTP IEEE 1588v2
- C. NTPv4
- D. PTP IEEE 1588v1

Answer: C

Explanation:

The Network Time Protocol (NTP) is widely used to synchronize computer clocks in the Internet. This document describes NTP version 4 (NTPv4), which is backwards compatible with NTP version 3 (NTPv3), described in RFC 1305, as well as previous versions of the protocol. NTPv4 includes a modified protocol header to accommodate the Internet Protocol version 6 address family.

NEW QUESTION # 248

What are two methods of ensuring that the multicast RPF check passes without changing the unicast routing table? (Choose two.)

- A. implementing static mroutes
- B. disabling BGP routing protocol
- C. disabling the interface of the router back to the multicast source
- D. implementing MBGP
- E. implementing OSPF routing protocol

Answer: A,D

Explanation:

<https://www.cisco.com/c/en/us/support/docs/ip/ip-multicast/16450-mcastguide0.html>

NEW QUESTION # 249

Refer to the exhibit.

A network engineer is configuring OSPF between router R1 and router R2. The engineer must ensure that a DR/BDR election does not occur on the Gigabit Ethernet interfaces in area 0. Which configuration set accomplishes this goal?

- A.

```
R1(config-if)#interface Gi0/0
R1(config-if)#ip ospf network point-to-point

R2(config-if)#interface Gi0/0
R2(config-if)#ip ospf network point-to-point
```

- B.

```
R1(config-if)interface Gi0/0
R1(config-if)ip ospf database-filter all out

R2(config-if)interface Gi0/0
R2(config-if)ip ospf database-filter all out
```
- C.

```
R1(config-if)interface Gi0/0
R1(config-if)ip ospf network broadcast

R2(config-if)interface Gi0/0
R2(config-if)ip ospf network broadcast
```
- D.

```
R1(config-if)interface Gi0/0
R1(config-if)ip ospf priority 1

R2(config-if)interface Gi0/0
R2(config-if)ip ospf priority 1
```

Answer: A

Explanation:

Broadcast and Non-Broadcast networks elect DR/BDR while Point-to-point/multipoint do not elect DR/BDR. Therefore we have to set the two Gi0/0 interfaces to point-to-point or point-to-multipoint network to ensure that a DR/BDR election does not occur.

NEW QUESTION # 250

.....

If you have interests with our 350-401 practice materials, we prefer to tell that we have contacted with many former buyers of our 350-401 exam questions and they all talked about the importance of effective 350-401 practice material playing a crucial role in your preparation process. Our 350-401 practice materials keep exam candidates motivated and efficient with useful content based wholly on the real 350-401 guide materials. There are totally three versions of 350-401 practice materials which are the most suitable versions for you: pdf, software and app versions.

Authentic 350-401 Exam Questions: <https://www.fast2test.com/350-401-premium-file.html>

Allowing for your different taste and preference of 350-401 sure-pass torrent: Implementing Cisco Enterprise Network Core Technologies (350-401 ENCOR) and increasing the diversity of our products, we have prepared three versions for you, 350-401 exam collection guarantee your exam success, To give you a general idea of the various kinds of 350-401 exam dump files in this purchasing interface, there are some advantages respectively, More and more people choose Cisco 350-401 exam.

The Securities and Exchange Commission was created to regulate the 350-401 securities industry under which of the following acts of government legislation, Do You Want to Be Greg Tackett or His Competition?

Fantastic 350-401 Study Dumps & Leader in Qualification Exams & Pass-Sure 350-401: Implementing Cisco Enterprise Network Core Technologies (350-401 ENCOR)

Allowing for your different taste and preference of 350-401 sure-pass torrent: Implementing Cisco Enterprise Network Core Technologies (350-401 ENCOR) and increasing the diversity of our products, we have prepared three versions for you.

350-401 exam collection guarantee your exam success, To give you a general idea of the various kinds of 350-401 exam dump files in this purchasing interface, there are some advantages respectively.

More and more people choose Cisco 350-401 exam, Our suggestions are never boggle at difficulties.
