#### NEW QUESTION # 173

The business benefits of mobile computing are enhanced MOST by which of the following cloud service characteristics?

- A. Distribution over the Internet
- B. Hardware independence
- C. Time to market
- D. Security

**Answer: A**

#### NEW QUESTION # 174

Which of the following storage features allows cloud application resources to grow automatically past projected levels?

- A. Capacity on demand
- B. Deduplication
- C. Compression
- D. Encryption

**Answer: A**

Explanation:

Capacity on demand allows cloud resources, such as storage, to automatically scale up based on usage. This feature ensures that cloud applications can accommodate increased data storage needs without requiring manual intervention. As the data grows past projected levels, the system dynamically adjusts the capacity to meet the demand, making it a key feature for applications with variable workloads.

#### NEW QUESTION # 175

.....

This is a portable file that contains the most probable CLO-002 test questions.
