

CMMC-CCP test vce practice & CMMC-CCP exam training files & CMMC-CCP updated prep exam

CMMC CCP PRACTICE EXAM QUESTIONS (DERIVED FROM SHANE'S PRACTICE TEST AND DIRECTLY FROM THE CAP) QUESTIONS WITH COMPLETE SOLUTIONS!!

What is a CUI Asset? Answer - Asset that stores, processes, or transmits CUI
Examples: Servers, Printers, Endpoints, Cloud Services, ERP Systems

Where do you document a CUI Asset? Answer - Document in Asset Inventory
Document in SSP
Document in Network Diagram

What practices do you apply to a CUI Asset? Answer - CMMC Level 2

What does CMMC stand for? Answer - Cybersecurity Maturity Model Certification

How many controls are in CMMC L2? Answer - 110 controls

What impact level is required when storing CUI? Answer - IL4

What contract clause is used for CMMC L1? Answer - FAR 52.204-21 (17 practices in total)

If you want to be CMMC L2 compliant, do you need to also be CMMC L1 compliant?
Answer - Yes

What do you call the part before the first period in the following control? AC.L1-3.1.1
Answer - Domain

What do you call the part after the first period in the following control? AC.L1-3.1.1
Answer - Level

What do you call the part after the dash in the following control? AC.L1-3.1.1 Answer
- Security Practice Number

What is confidentiality? Answer - Information Access and disclosure includes means for protecting personal privacy and proprietary information.

What's more, part of that Exams4sures CMMC-CCP dumps now are free: <https://drive.google.com/open?id=1jMMx6KTQCElqfeCGcltemaCKRqH14gKX>

The client can try out and download our CMMC-CCP training materials freely before their purchase so as to have an understanding of our product and then decide whether to buy them or not. The website pages of our product provide the details of our CMMC-CCP learning questions. You can see the demos which are part of the all titles selected from the test bank and the forms of the questions and answers and know the form of our software on the website pages of our study materials.

Exams4sures offers you a free demo version of the Cyber AB CMMC-CCP dumps. This way candidates can easily check the validity and reliability of the CMMC-CCP exam products without having to spend time. This relieves any sort of anxiety in the candidate's mind before the purchase of Certified CMMC Professional (CCP) Exam certification exam preparation material. This CMMC-CCP Exam study material is offered to you at a very low price. We also offer up to 1 year of free updates on Cyber AB CMMC-CCP dumps after the date of purchase. Going through our Certified CMMC Professional (CCP) Exam exam prep material there remains no chance of failure in the Cyber AB CMMC-CCP exam.

CMMC-CCP Exam Overview, CMMC-CCP Related Exams

Trying before buying CMMC-CCP exam braindumps can help you have a deeper understanding of what you are going to buy. We offer you free demo for you to have a try, and you can know what the complete version is like through the free demo. Moreover, CMMC-CCP exam braindumps are high quality and accuracy, and you can use them at ease. We have online and offline service for you, and they possess the professional knowledge for CMMC-CCP Exam Materials, and if you have any questions, you can contact with us, and we will give you reply as soon as we can.

Cyber AB Certified CMMC Professional (CCP) Exam Sample Questions (Q207-Q212):

NEW QUESTION # 207

An OSC receives an email with "CUI//SP-PRVCY//FED Only" in the body of the message. Which organization's website should the OSC go to identify what this marking means?

- **A. NARA**
- B. DoD 239.7601 Definitions page
- C. CMMC-AB
- D. DoD Contractors FAQ page

Answer: A

Explanation:

- * What Does "CUI//SP-PRVCY//FED Only" Mean?
 - * The email contains Controlled Unclassified Information (CUI) with specific categories and dissemination controls.
 - * CUI//SP-PRVCY//FED Only breaks down as follows:
 - * CUI# Controlled Unclassified Information designation.
 - * SP-PRVCY# Specified category for Privacy Information (SP stands for "Specified").
 - * FED Only# Restriction for Federal Government use only (not for contractors or the public).
 - * Who Maintains the Official CUI Registry?
 - * The National Archives and Records Administration (NARA) oversees the CUI Program and maintains the official CUI Registry (<https://www.archives.gov/cui>).
 - * The CUI Registry provides definitions, marking guidance, and categories for all CUI labels, including "SP-PRVCY" and dissemination controls like "FED Only."
 - * Why NARA is the Correct Answer:
 - * NARA is the governing body responsible for defining and managing CUI markings.
 - * Any organization handling CUI should refer to the NARA CUI Registry for official marking interpretations.
 - * DoD contractors and other organizations must comply with NARA guidelines when handling, marking, and disseminating CUI.
 - * B. CMMC-AB- The CMMC Accreditation Body manages certification assessments but does not define or interpret CUI markings.
 - * C. DoD Contractors FAQ Page- The DoD may provide general contractor guidance, but CUI markings are governed by NARA, not an FAQ page.
 - * D. DoD 239.7601 Definitions Page- This refers to general DoD acquisition definitions, but CUI categories and markings fall under NARA's authority.
- References: NARA CUI Registry (<https://www.archives.gov/cui>)
DoD CUI Program Guidance (DoD CIO Site)
CMMC 2.0 Level 2 Compliance Requirements (Cyber AB)
#Final Answer: A. NARA

NEW QUESTION # 208

SC.L2-3 13.14: Control and monitor the use of VoIP technologies is marked as NOT APPLICABLE for an OSC's assessment. How does this affect the assessment scope?

- A. An error has been made and the Lead Assessor should be contacted to correct the error.
- B. VoIP technology is within scope, and it uses FIPS-validated encryption, so it does not need to be assessed.
- C. Any existing telephone system is in scope even if it is not using VoIP technology.
- **D. VoIP technology is not used within scope boundary, so no assessment procedures are specified for this practice.**

Answer: D

NEW QUESTION # 209

During a Level 2 Assessment, an OSC provides documentation that attests that they utilize multifactor authentication on nonlocal remote maintenance sessions. The OSC feels that they have met the controls for the Level 2 certification. What additional measures should the OSC perform to fully meet the maintenance requirement?

- A. The maintenance policy states multifactor authentication must have at least two factors applied for nonlocal maintenance sessions.
- B. The nonlocal maintenance personnel complain that restrictions slow down their response time and should be removed.
- **C. Connections for nonlocal maintenance sessions should be terminated when maintenance is complete.**
- D. Connections for nonlocal maintenance sessions should be unlimited to ensure maintenance is performed properly

Answer: C

Explanation:

Under CMMC 2.0 Level 2, which aligns with the requirements of NIST SP 800-171, maintaining robust control over nonlocal maintenance sessions is critical. While multifactor authentication (MFA) is a required safeguard for secure access, additional measures must be implemented to fully meet the maintenance requirements as outlined in Control 3.3.5:

Key Requirements for Nonlocal Maintenance:

Termination of Nonlocal Maintenance Sessions:

To reduce the attack surface and prevent unauthorized access, nonlocal maintenance connections must be terminated immediately after the maintenance activity is completed. This is a direct requirement to mitigate risks associated with lingering remote sessions that could be exploited by threat actors.

Supporting Reference: NIST SP 800-171, Control 3.3.5 states: "Ensure that remote maintenance is conducted in a controlled manner and disable connections immediately after use." Multifactor Authentication (MFA):

OSCs are required to implement MFA for nonlocal remote maintenance sessions. MFA must include at least two factors (e.g., something you know, something you have, or something you are).

While the OSC's use of MFA satisfies part of the requirement, it does not complete the control unless proper termination procedures are in place.

Policy and Procedure Adherence:

The OSC must also document a maintenance policy and ensure it reflects the need for terminating connections post-maintenance. The policy should outline roles, responsibilities, and steps for ensuring secure nonlocal maintenance practices.

Incorrect Options:

B). Unlimited connections: Allowing unrestricted nonlocal maintenance sessions is a significant security risk and violates the principle of least privilege.

C). Removing restrictions: Removing restrictions for convenience directly undermines compliance and security.

D). Multifactor authentication details: While MFA is necessary, the question states the OSC already uses it.

Termination of sessions is the missing requirement.

Conclusion:

The requirement to terminate nonlocal maintenance sessions after maintenance is complete (Option A) is critical for compliance with CMMC 2.0 Level 2 and NIST SP 800-171, Control 3.3.5. This ensures that nonlocal maintenance activities are secured against unauthorized access and potential vulnerabilities.

NEW QUESTION # 210

Which term describes assessing the ability of a unit equipped with a system to support its mission while withstanding cyber threat activity representative of an actual adversary?

- A. Red cell assessment
- B. Black hat testing
- C. Penetration test
- **D. Adversarial assessment**

Answer: D

Explanation:

The term Adversarial Assessment is formally defined in DoD cyber terminology. It describes testing that evaluates a unit or system's ability to perform its mission while facing simulated cyber threat activity representative of a real-world adversary.

Supporting Extracts from Official Content:

* DoD Cybersecurity Test and Evaluation Guidebook: "Adversarial Assessment: Test conducted to evaluate a unit's ability to support its mission while withstanding cyber threat activity representative of an actual adversary." Why Option D is Correct:

* A penetration test is narrower and focuses on identifying vulnerabilities.

* Black hat testing is not an official DoD or CMMC term.

* Red cell assessment refers more broadly to force-on-force exercises and is not the term used in CMMC /governing DoD definitions.

References (Official CMMC v2.0 Content and Source Documents):

* DoD Cybersecurity Test and Evaluation Guidebook.

* CMMC v2.0 Governance - Source Documents (incorporating DoD definitions).

NEW QUESTION # 211

Which NIST SP defines the Assessment Procedure leveraged by the CMMC?

- A. NISTSP800-53a
- B. NIST SP 800-171
- C. NISTSP800-171a
- D. NIST SP 800-53

Answer: C

NEW QUESTION # 212

.....

If you use our CMMC-CCP practice test software, you can prepare for the exam in an atmosphere that is quite similar to the CMMC-CCP real test, which will greatly aid in your preparation. The Cyber AB CMMC-CCP desktop practice exam software keeps track of your previous tries. This feature will help you identify where you need the most improvement so you can focus your efforts and boost your score the next time you take the Certified CMMC Professional (CCP) Exam (CMMC-CCP) practice test.

CMMC-CCP Exam Overview: <https://www.exams4sures.com/Cyber-AB/CMMC-CCP-practice-exam-dumps.html>

As long as you choose our CMMC-CCP study guide, you will find that the exam questions and answers are always the most accurate and up-to-date, Cyber AB Exam CMMC-CCP Blueprint If a question is answered incorrectly, then an example of why it's incorrect and why the correct answer is right will also follow, We will switch other versions for free if you choose our CMMC-CCP quiz studying materials: Certified CMMC Professional (CCP) Exam and fail the exam, which is rare, but we give you best reliance.

The artist then creates titles, graphics, and effects before handing CMMC-CCP Exam Overview the rendered pieces back to the editor, who drops them into Premiere or other video editor) and does the final cut and audio mix.

Quiz Pass-Sure Cyber AB - Exam CMMC-CCP Blueprint

If an authorized user is suspected of using the system for unauthorized Exam CMMC-CCP Blueprint purposes, containment may require the employee to be placed on paid administrative leave until the situation can be fully investigated.

As long as you choose our CMMC-CCP Study Guide, you will find that the exam questions and answers are always the most accurate and up-to-date, If a question is answered incorrectly, CMMC-CCP then an example of why it's incorrect and why the correct answer is right will also follow.

We will switch other versions for free if you choose our CMMC-CCP quiz studying materials: Certified CMMC Professional (CCP) Exam and fail the exam, which is rare, but we give you best reliance.

The simulation opportunity offered by the App version of our CMMC-CCP original questions: Certified CMMC Professional (CCP) Exam of course also is of great significance for those who are not so familiar with the environment of the test.

According to our investigation, Exam CMMC-CCP Blueprint our predication of the real exam questions is the highest.
