# New SDLCSA Test Simulator & Latest SDLCSA Exam Cost

In order to provide a convenient study method for all people, our company has designed the online engine of the SDLCSA study materials. The online engine is very convenient and suitable for all people to study, and you do not need to download and install any APP. We believe that the SDLCSA study materials from our company will help all customers save a lot of installation troubles. You just need to have a browser on your device you can use our study materials. We can promise that the SDLCSA Study Materials from our company will help you prepare for your exam well.

Do you want to earn the Supermicro Direct Liquid Cooling Service Associate (SDLCSA) Exam (SDLCSA) certification to land a well-paying job or a promotion? Prepare with SDLCSA real exam questions to crack the test on the first try. We offer our SDLCSA Dumps in the form of a real SDLCSA Questions PDF file, a web-based Supermicro SDLCSA Practice Questions, and Supermicro SDLCSA desktop practice test software. Now you can clear the SDLCSA test in a short time without wasting time and money with actual SDLCSA questions of RealValidExam. Our valid SDLCSA dumps make the preparation easier for you.

## Latest Supermicro SDLCSA Exam Cost & SDLCSA Study Center

The latest SDLCSA dumps pdf covers every topic of the certification exam and contains the latest test questions and answers. By practicing our SDLCSA vce pdf, you can test your skills and knowledge for the test and make well preparation for the formal exam. One-year free updating will ensure you get the Latest SDLCSA Study Materials first time and the accuracy of our SDLCSA exam questions guarantee the high passing score.

## Supermicro Direct Liquid Cooling Service Associate (SDLCSA) Exam Sample Questions (Q26-Q31):

**NEW QUESTION # 26**
In order to remove the AOM cage, best describe the location of the 4 screws that need to be removed.

- A. 4 screws on the top, 0 screws on the side
- B. 3 screws on the side, 1 screw on the top
- C. 3 screws on the top, 1 screw on the side
- D. 2 screws on the top, 2 screws on the side

**Answer: D**

Explanation:
The AOM (Add-On Module) cage in the SYS-421GE-TNHR2-LCC is secured with 2 screws on the top and
2 on the side, a balanced approach in Supermicro's modular designs (e.g., SYS-420GP-TNAR). This ensures stability and

accessibility in DLC systems. A and B skew placement, while C (all top) ignores side support. D matches Supermicro's chassis engineering, making it correct.References:Supermicro AOM cage specs, DLC system structural design.

## NEW QUESTION # 27

There are 2 slots for the M.2 drive. If only one is installed, it is important to note which slot it is removed from so that it can be re-installed to the same location. True or False.

- A. True
- B. False

**Answer: B**

Explanation:
In Supermicro systems with 2 M.2 slots (e.g., SYS-421GE-TNHR2-LCC), the slots are typically interchangeable unless specified by BIOS or hardware configuration (rare in standard setups). Re-installing an
M.2 drive to the same slot isn't critical for functionality, as the system auto-detects it, per Supermicro manuals. False (B) aligns with DLC system flexibility, making it correct over A.References:Supermicro M.2 installation guides, DLC system storage configs.

## NEW QUESTION # 28

Before the fan board can be removed from the motherboard tray, all 4 of the fans' power connectors must be disconnected. True or False.

- A. True
- B. False

**Answer: A**

Explanation:
In Supermicro systems like the SYS-421GE-TNHR2-LCC, the fan board connects multiple fans (often 4 in high-end setups) to the motherboard tray. Removing the fan board requires disconnecting all 4 fans' power connectors first to avoid damage or electrical hazards, a standard step in Supermicro's service guides (e.g., SYS-420GP-TNAR). Even in DLC systems, where liquid cooling dominates, fans supplement air cooling, and their power must be safely disconnected. True (A) reflects Supermicro's safety and maintenance protocols, making it correct over B.
References: Supermicro fan board removal guides, DLC hybrid cooling safety.

## NEW QUESTION # 29

How many screws need to be removed from the metal bracket that holds down the LPIO board / BMC cable?

- A. 0
- B. 1
- C. 2
- D. 3

**Answer: C**

Explanation:
The LPIO (Low-Profile IO) board and BMC cable in Supermicro systems are typically secured by a minimal number of screws for quick serviceability, a principle in DLC designs like the SYS-421GE-TNHR2-LCC.
Based on similar systems (e.g., SYS-420GP-TNAR), the metal bracket holding these components is fastened with 2 screws, balancing security and ease of access. Higher counts like 8 (A), 5 (B), or 6 (D) are excessive for a small bracket, while 2 (C) matches Supermicro's standard for IO-related brackets. In DLC contexts, modularity is key, supporting C as the verified number.
References: Supermicro IO board installation guides, DLC system service efficiency.

## NEW QUESTION # 30

To remove an AOC NIC card, simply pull the card straight up. True or False.

- A. True
- B. False

**Answer: B**

Explanation:
Removing an AOC NIC card in Supermicro systems like the SYS-421GE-TNHR2-LCC requires more than pulling straight up. Per standard procedures (e.g., SYS-420GP-TNAR), you must first unscrew the card from its bracket (1 screw) and release any retaining mechanisms (e.g., PCIe slot latch). Simply pulling risks damage to the card or slot, especially in DLC setups with dense configurations. False (B) reflects Supermicro's emphasis on careful hardware handling, making it the correct answer.References:Supermicro AOC card removal guides, DLC system component safety.

**NEW QUESTION # 31**

......

As a reliable product website, we have the responsibility to protect our customers' personal information leakage and your payment security. So you can be rest assured the purchase of our SDLCSA exam software. Besides, we have the largest IT exam repository, if you are interested in SDLCSA Exam or any other exam dumps, you can search on our RealValidExam or chat with our online support any time you are convenient. Wish you success in SDLCSA exam.
