NEW QUESTION # 36
Identify the missing word(s) in the following sentence.
A key challenge of the business relationship management practice is a lack of understanding of the operating models of the [?].

- A. Key stakeholders
- B. Service consumer
- C. IT service provider
- D. External regulators

Answer: B

Explanation:
A core challenge for Business Relationship Management is that the practice often lacks insight into the operating models of the service consumer, which hampers its ability to align services with consumer needs.

NEW QUESTION # 37
An organization is performing a stakeholder analysis.
Which is an example of a stakeholder that should be monitored?

- A. A financial controller who has little interest in a project
- B. A senior manager who has control of a project
- C. End users who have no control over or interest in the software they use
- D. A business relationship manager who wants to ensure that a service fulfils the customer's needs

Answer: C

Explanation:
End users with neither control (power) nor interest fit the "monitor" category in stakeholder analysis, requiring minimal effort to track their status.
