

100% Pass Quiz Cisco - 300-445 - Accurate Designing and Implementing Enterprise Network Assurance Online Lab Simulation

2026 Latest Dumpexams 300-445 PDF Dumps and 300-445 Exam Engine Free Share: <https://drive.google.com/open?id=1UdliQkqKq7We1zF86xyKjpW1ee3vuMvY>

On the one thing, our company has employed a lot of leading experts in the field to compile the 300-445 exam torrents, so you can definitely feel rest assured about the high quality of our 300-445 question torrents. On the other thing, the pass rate among our customers who prepared the exam under the guidance of our 300-445 study materials has reached as high as 98% to 100%. What's more, you will have more opportunities to get promotion as well as a pay raise in the near future after using our 300-445 question torrents since you are sure to get the certification. So you can totally depend on our 300-445 exam torrents when you are preparing for the exam. If you want to be the next beneficiary, just hurry up to purchase.

Cisco 300-445 Exam Syllabus Topics:

Topic	Details
Topic 1	<ul style="list-style-type: none"> • Platforms and Architecture: This domain covers understanding monitoring agent types and placement, active versus passive monitoring, and ThousandEyes WAN Insights. It addresses Cisco platform integrations, metric baselines, and selecting appropriate integration methods and assurance platforms based on business requirements.
Topic 2	<ul style="list-style-type: none"> • Data Collection Implementation: This domain focuses on deploying enterprise and endpoint agents across infrastructure and end-user devices. It covers configuring network, DNS, voice, web, and endpoint tests using ThousandEyes and Meraki Insights, along with implementing synthetic web tests and authentication methods.
Topic 3	<ul style="list-style-type: none"> • Data Analysis: This domain encompasses diagnosing network issues like packet loss, congestion, routing, and jitter, plus end-device problems. It includes analyzing web application performance and identifying security threats such as DDoS attacks, DNS hijacking, and BGP hijacking.
Topic 4	<ul style="list-style-type: none"> • Insights and Alerts: This domain addresses configuring alert rules based on network conditions and end-user experience factors. It covers selecting metrics for stakeholders, validating alerts, and recommending network optimization for capacity planning.

Pass Guaranteed Quiz 2026 Cisco High-quality 300-445: Designing and Implementing Enterprise Network Assurance Online Lab Simulation

Actual Designing and Implementing Enterprise Network Assurance (300-445) dumps are designed to help applicants crack the Central Finance in 300-445 test in a short time. There are dozens of websites that offer 300-445 exam questions. But all of them are not trustworthy. Some of these platforms may provide you with Designing and Implementing Enterprise Network Assurance (300-445) invalid dumps. Upon using outdated Central Finance in 300-445 dumps you fail in the 300-445 test and lose your resources. Therefore, it is indispensable to choose a trusted website for real Central Finance in 300-445 dumps.

Cisco Designing and Implementing Enterprise Network Assurance Sample Questions (Q51-Q56):

NEW QUESTION # 51

Analyzing the IT operations dashboard, which agent has a better HTTP Connect Time?

- A. Mexico City Mexico (TelMex)
- B. San Jose CA (AT&T)

Answer: A

Explanation:

Detailed Explanation:

In the IT Operations Dashboard, performance metrics are displayed per agent to facilitate granular troubleshooting. By reviewing the latest metrics table, the Mexico City Mexico (TelMex) agent displays a Connect time of 0.51 ms, which is significantly lower (and therefore "better") than the corresponding time for the San Jose CA agent. Connect time measures the duration for the TCP three-way handshake; a lower value indicates faster network-layer establishment.

NEW QUESTION # 52

Which optimization recommendation is based on network capacity planning and data interpretation?

- A. Server hardware upgrade
- B. Firmware update
- C. Topology and configuration changes
- D. Software patching

Answer: C

Explanation:

Topology and configuration changes are recommended for network capacity planning based on data interpretation, ensuring optimized network performance and scalability.

NEW QUESTION # 53

Which deliverable is commonly recommended for IT operations teams to monitor network performance?

- A. Dashboards
- B. Performance metrics
- C. Reports
- D. Alerts

Answer: A

Explanation:

Dashboards are commonly recommended for IT operations teams to monitor network performance as they provide real-time visualizations of key performance indicators (KPIs), network status, and operational metrics, enabling proactive monitoring and rapid response to performance issues.

NEW QUESTION # 54

What is a common issue diagnosed using collected data related to real-time streaming?

- A. CPU utilization spike
- B. Network congestion
- C. DNS server failure
- **D. Packet loss**

Answer: D

Explanation:

Packet loss is a common issue diagnosed using collected data related to real-time streaming, indicating potential network performance degradation in network assurance.

NEW QUESTION # 55

Which agent type is commonly used to simulate user interactions with web applications for testing purposes?

- A. Local collection agent
- **B. Synthetic user agent**
- C. Remote agent
- D. Scripting agent

Answer: B

Explanation:

Synthetic user agents are commonly used to simulate user interactions with web applications for testing purposes by generating synthetic traffic, emulating user behaviors, and performing scripted actions to assess application performance, functionality, and responsiveness under various conditions.

NEW QUESTION # 56

.....

The clients can consult our online customer service before and after they buy our 300-445 useful test guide. We provide considerate customer service to the clients. Before the clients buy our 300-445 cram training materials they can consult our online customer service personnel about the products' version and price and then decide whether to buy them or not. After the clients buy the 300-445 Study Tool they can consult our online customer service about how to use them and the problems which occur during the process of using. We will help you pass the 300-445 exam in the shortest time.
