CISI UAE Financial Rules and Regulations Exam Sample Questions (Q74-Q79):

NEW QUESTION # 74

The Corporate Governance Guide automatically allows board members of public joint-stock companies to accept gifts up to what maximum stated value?

- A. AED 500
- B. AED 300
- C. AED 200
- D. AED 100

Answer: B

Explanation:

According to the Corporate Governance Guide for public joint-stock companies, board members are automatically allowed to accept gifts up to a maximum value of AED 300. This limit is set to ensure that the acceptance of gifts does not raise concerns about conflicts of interest or unethical conduct. By establishing a cap on the value of acceptable gifts, the guide aims to promote transparency and prevent any undue influence on the decision-making process of board members. This helps maintain the integrity of the corporate governance framework and fosters trust among stakeholders.

NEW QUESTION # 75

In what circumstances can the requirement for licensed bodies to disclose their legal status be waived?

- A. A takeover bid for the licensed body has been launched
- B. A court case against the licensed body is in progress
- **C. An emergency has been notified to the Authority**
- D. A significant market correction is taking place

Answer: C

Explanation:

The CISI UAE Financial Rules and Regulations allow the waiver of the requirement for licensed bodies to disclose their legal status only in specific scenarios such as when an emergency has been notified to the Authority. This provision recognizes that during certain urgent situations, standard disclosure obligations may be temporarily suspended to allow for swift action or confidentiality. Other circumstances such as ongoing court cases, market corrections, or takeover bids do not automatically justify waivers of disclosure obligations, preserving investor transparency and trust under normal conditions.

NEW QUESTION # 76

If a Special Purpose Acquisition Company fails to complete a business combination, measures to return the funds to investors must be taken within what maximum number of business days?

- A. 0
- B. 1
- C. 2
- **D. 3**

Answer: D

Explanation:

Under CISI UAE Financial Rules and Regulations, if a Special Purpose Acquisition Company (SPAC) does not complete a business combination within the stipulated timeframe, it must initiate measures to return the funds to investors within a maximum of 20 business days. This safeguard ensures that investors are not indefinitely exposed to risks related to unutilized capital in the SPAC, maintaining market discipline and investor protection. The regulations mandate clear timelines for fund returns to prevent misuse or undue delay, aligning with international SPAC best practices. Timely fund returns uphold investor confidence and market integrity, essential in the UAE's evolving financial landscape.

NEW QUESTION # 77

When debt securities are offered through a public subscription, the offeror will be required to announce any replacement of the trustee:

- A. within a maximum of 48 hours
- B. after 5 working days
- **C. within a maximum of 72 hours**
- D. immediately

Answer: C

Explanation:

CISI UAE Financial Rules and Regulations stipulate that for debt securities issued via public subscription, the offeror must announce any replacement of the trustee within a maximum of 72 hours. Prompt notification ensures transparency, allowing investors to be informed about key custodial and fiduciary changes that may affect the security's management and enforcement of rights. Delays beyond this period could impact investor confidence and violate continuous disclosure requirements, thus the 72-hour timeframe strikes a balance between operational feasibility and timely communication.

- D. A penalty of no less than AED 100,000 and no more than AED 10,000,000 for each violation

Answer: C

These substantial fines underscore the UAE's commitment to stringent AML/CTF enforcement and deterrence.
