427. Frage

An organization is upgrading to Dynamics 365 Finance.

One of the organization's legal entities needs to have different main accounts for a period of six months. You need to configure the legal entity override dates. Which two actions can you perform? Each correct answer presents a complete solution. NOTE: Each correct selection is worth one point.

- A. Set the value of the override date field at the shared level to be less restrictive.
- B. Set the value of the override date field at the shared level to be more restrictive.
- C. Set the value of the override date field at the legal entity level to be more restrictive.
- D. Set the value of the override date field at the legal level to be less restrictive.

Antwort: A,C

Begründung:

In this scenario, you can use the Legal entity overrides section to identify the companies that the main account should be suspended for, the owner, and the period when the dimension is active.

The overrides at the shared level can't be more restrictive than the overrides at the legal entity level.
