NEW QUESTION # 335

Which of the following is CORRECT regarding the separating lines candlestick pattern?

- A. The two candles have the same color
- B. It is a reversal pattern
- C. It is a bearish pattern only

- D. The opening price of the second candle equals the opening price of the first candle

Answer: D

Explanation:

Detailed Explanation:

Separating Lines is a continuation pattern where two candles of opposite colors share the same opening price.

(e.g., in an uptrend: a black candle followed by a white candle that opens at the same price as the black candle's open and rallies).

NEW QUESTION # 336

Violated support levels typically:

- A. Become support levels as prices fall lower
- B. Indicate an imminent price reversal¹³⁹
- C. Become resistance levels on price bounces¹³⁸
- D. Are associated with declining price projections

Answer: C

Explanation:

Detailed Explanation:¹⁴¹

This is the principle of Polarity. Once a support level is broken, the market¹⁴² psychology shifts. Investors who bought at support are now losing money and will look to sell if the price rallies back to "break even." Thus, the broken support becomes resistance.

NEW QUESTION # 337

Stock traders rely heavily on:

- A. 30 and 40 week moving averages
- B. B and C
- C. 4 and 92 day moving averages
- D. 50 and 200 day moving averages

Answer: B

Explanation:

Detailed Explanation:

The most widely watched moving averages by institutions and traders are the 50-day (intermediate) and 200-day (long-term). The 30 and 40-week moving averages roughly correspond to the 150 and 200-day averages and are heavily used in weekly chart analysis (e.g., Stan Weinstein).⁶⁷

NEW QUESTION # 338

Reuters CCI is a measure of:

- A. Inflation
- B. Stagflation
- C. Deflation
- D. Recession

Answer: A

Explanation:

Detailed Explanation:

The Reuters CCI (Continuous Commodity Index) tracks a basket of commodities. Since commodity prices are a primary driver of input costs, the index is widely viewed as a leading indicator or measure of inflationary pressures.
