Identifying Trustworthy and Supportive People DBT Worksheet

Name: Bond Mallin

Date: August 31, 2023

Physician's Name: Dr. Hubert Patton

What is the name of the person you think you can trust?

Henrietta Warner

Instructions:

Evaluate if said person is trustworthy by checking off the statements you agree with below:

- ☒ I believe this person is caring and concerned about me.
- ☒ I believe this person won't gossip or share what I have told them with others.
- ☒ I believe this person is honest and tells me the truth.
- ☒ I believe this person treats me and my feelings with respect.
- ☒ I believe this person won't intentionally hurt me, emotionally or physically.
- ☒ I believe this person considers my best interests.
- ☒ I believe this person is reliable and dependable.
- ☒ I believe this person is consistent and predictable in their actions and reactions.
- ☒ Other people I know trust and respect this person.

List down other traits that make this person that makes them trustworthy:

They've kept promises they've made in the past. They're always on time to meetings we've talked about. They stand up for their beliefs and they're not afraid to gently explain to me what's wrong if I've done anything wrong.

Are there any other people in your life who may give you support even if you don't know them that well, such as a clergy member or health care professional? Who are they, and what are their names?

My therapist, Dr. Hubert Patton, and my younger brother, Oslo Mallin, are trustworthy

Can't think of anyone you can trust to support you? Look for local mental health hotline numbers, organizations, and websites. Write down the ones you feel comfortable contacting. I don't feel contacting and trusting anyone aside from the hospital, my therapist, my friend, and my brother.

You'd better look at the introduction of our CEM Study Materials in detail as follow by yourselves.

AEE Certified Energy Manager (CEM) Sample Questions (Q68-Q73):

NEW QUESTION # 68

In a typical compressed air system, energy can be saved by which of the following actions?

- A. Reducing the capacity of the compressed air receiver tanks
- B. Reducing the air distribution pipe size
- **C. Raising the air pressure**
- D. Move the inlet air filter to a warmer location
- E. Decreasing supply air pressure

Answer: C

NEW QUESTION # 69

Which of the following is NOT a typical benefit of performance contracting from the building owner's perspective?

- A. The energy-service company can have a financial incentive to achieve projected savings
- B. Maintenance services provided by the performance contractor can add value to the overall savings achieved
- **C. Performance contracting is a simple and quick process**
- D. Performance contracting can provide access to external financing when the owner may not have sufficient equity for in-house financing for large projects
- E. Net cash flow can be neutral or positive for the owner

Answer: C

Explanation:

CEM materials clearly state that performance contracting:

* Requires detailed audits

* Includes complex legal, financial, and M&V structures

* Is not quick or simple

All other options are recognized benefits to building owners.
