Salesforce Certified Nonprofit Cloud Consultant Exam Sample Questions (Q124-Q129):

NEW QUESTION # 124
A board member introduced a high-net-worth individual to the work of the nonprofit. The individual made a donation at an event. The fundraising manager wants to record this information in Salesforce. It is important the donation is hard credited to the individual while ensuring this donation, as well as any future donations from the individual, are soft-credited to the board member. The board member and the individual already exist as contacts in Salesforce.
How should the data be entered*?

- A. Create a relationship between the individual and the board member. Create the donation opportunity for the individual. Add the board member as a Soft Credit contact role to the donation.
- B. Create a relationship between the individual and the board member with a Related Opportunity Contact Role of Soft Credit. Create the donation opportunity for the individual.
- C. Create the donation opportunity for the individual. Add the board member as a Soft Credit contact role for the donation. Create k
