High Pass Rate 1Z1-771 Study Materials Tool Helps You Get the 1Z1-771 Certification

VCE4Dumps 1Z1-771 exam dumps in three different formats has 1Z1-771 questions PDF and the facility of Oracle 1Z1-771 dumps. We have made these Oracle 1Z1-771 questions after counseling a lot of experts and getting their feedback. The 24/7

Oracle APEX Cloud Developer Professional Sample Questions (Q35-Q40):

NEW QUESTION # 35
You need to ensure that "How may I help you today?" is the first message displayed by the AI assistant. Which attribute of the Show AI Assistant Dynamic Action should be configured in the Property Editor to achieve this?

- A. AI Assistant Name
- B. Welcome Message
- C. Initial Prompt

Answer: B

Explanation:
The Show AI Assistant Dynamic Action in Oracle APEX triggers the display of the AI Assistant interface. To customize the first message users see:
Welcome Message: This attribute in the Property Editor defines the initial text displayed when the AI Assistant appears. Setting it to "How may I help you today?" ensures this exact phrase greets users, enhancing user experience by setting a friendly tone. It's a static, developer-defined string, distinct from AI-generated responses.
Initial Prompt: This attribute defines the starting input or context sent to the AI model, not the visible message shown to users. It's typically hidden and used to guide the AI's behavior (e.g., "Act as a support agent").
AI Assistant Name: This sets the assistant's identity (e.g., "Alex"), displayed in the UI, but it's not the greeting message.
This configuration is critical for branding or guiding user interaction from the outset, and it's adjustable per dynamic action instance, offering flexibility across pages.

NEW QUESTION # 36
You use the Create Page Wizard to create a faceted search page on the EMP table. What is the default report type generated for this page?

- A. Interactive Grid
- B. Column Toggle Report
- C. Interactive Report
- D. Classic Report

Answer: C

Explanation:
When creating a faceted search page via the Create Page Wizard, the default report type is an Interactive Report. This pairs with the faceted search region to provide a searchable, filterable, and customizable report, leveraging the facets for dynamic filtering.

NEW QUESTION # 37
Which two Query Source types can be used to create a dynamic LOV?

- A. Procedure
- B. SQL Query
- C. Function Returning SQL Query
- D. Select List

Answer: B,C

Explanation:
A dynamic List of Values (LOV) in APEX populates options based on a query source. The supported types include:
Function Returning SQL Query: A PL/SQL function that returns a SQL query string (e.g., RETURN 'SELECT ename, empno FROM emp';). This offers flexibility for dynamic conditions or complex logic.
SQL Query: A direct SQL statement (e.g., SELECT ename, empno FROM emp) executed at runtime to fetch LOV values. It's the simplest and most common approach.
Procedure: Procedures execute logic but don't return query results in the format required for an LOV (they don't produce a result set directly).

Select List: This is a UI component, not a query source type for defining an LOV.
Dynamic LOVs enhance user interaction by providing real-time, data-driven options, critical for forms and filters.

NEW QUESTION # 38

Which two tasks can be performed by using the Generate Text with AI Dynamic Action?

- A. Invoke a Workflow
- B. Summarize or translate text
- C. Draft an email
- D. Update the underlying database tables

Answer: B,C

Explanation:
The "Generate Text with AI" Dynamic Action uses Generative AI to:
Draft an email: Creates text content like emails based on prompts.
Summarize or translate text: Processes existing text to summarize or translate it.
It does not update database tables or invoke workflows, as it's focused on text generation.

NEW QUESTION # 39

Which two statements are true about the APEX_MAIL API?

- A. The APEX_MAIL package supports sending emails only to Oracle database users.
- B. You can receive emails using the APEX_MAIL package in an Oracle APEX application.
- C. You can send emails using the APEX_MAIL package from an Oracle APEX application.
- D. You can add files as attachments to your emails using the APEX_MAIL package.

Answer: C,D

Explanation:
The APEX_MAIL API facilitates email functionality:
A . You can add files as attachments: Using APEX_MAIL.ADD_ATTACHMENT (e.g.,
APEX_MAIL.ADD_ATTACHMENT(p_mail_id, p_attachment, p_filename)), you can attach BLOBs (e.g., PDFs) to emails.
C . You can send emails: APEX_MAIL.SEND (e.g., APEX_MAIL.SEND(p_to => 'user@example.com', p_body => 'Hello'))
sends emails from APEX, leveraging the configured mail server.
B . You can receive emails: False; APEX_MAIL is send-only; receiving requires custom integration (e.g., IMAP).
D . Only to Oracle database users: False; emails can go to any valid address, not just database users.
Pitfall: Ensure the mail queue is processed (APEX_MAIL.PUSH_QUEUE) for timely delivery.

NEW QUESTION # 40

......

In the era of information, everything around us is changing all the time, so do the 1Z1-771 exam. But you don't need to worry it. We take our candidates' future into consideration and pay attention to the development of our Oracle APEX Cloud Developer Professional study training dumps constantly. Free renewal is provided for you for one year after purchase, so the 1Z1-771 Latest Questions won't be outdated. The latest 1Z1-771 latest questions will be sent to you email, so please check then, and just feel free to contact with us if you have any problem. Our reliable 1Z1-771 exam material will help pass the exam smoothly.

Latest 1Z1-771 Test Testking: https://www.vce4dumps.com/1Z1-771-valid-torrent.html

As long as you have paid for our Latest 1Z1-771 Test Testking - Oracle APEX Cloud Developer Professional exam study material, you will become one of the VIP members of our company, we will provide many privileges for you, among which the most important one is that we will provide free renewal for you in the whole year, Thirdly, the PDF version of Latest 1Z1-771 Test Testking - Oracle APEX Cloud Developer Professional best questions materials is easy to carry and do less harm to your eyes, Please feel free to contact us if you have any questions about our 1Z1-771 training material.

In the camera's Custom White Balance mode, you then select this image as Latest 1Z1-771 Test Testking the source, and the camera calculates the custom white balance, Critical Care Patients, As long as you have paid for our Oracle APEX Cloud

Developer Professional examstudy material, you will become one of the VIP members of our company, 1Z1-771 we will provide many privileges for you, among which the most important one is that we will provide free renewal for you in the whole year.

2026 1Z1-771 – 100% Free Latest Exam Dumps | Valid Latest Oracle APEX Cloud Developer Professional Test Testking

Thirdly, the PDF version of Oracle APEX Cloud Developer Professional best questions materials is easy to carry and do less harm to your eyes, Please feel free to contact us if you have any questions about our 1Z1-771 training material.

But the same idea is that this is a very difficult exam, These 1Z1-771 practice tests are customizable, which means you can change the time and questions according to your needs.
