Exam Details and Topics

In regards to the exam details, it is important to start with the format. The test can be taken in the English language only. It is known to be 120 minutes long with approximately 40-60 questions to answer. The candidates in the United States are required to pay \$165 to sit for this exam either online or at any Pearson VUE center near them. This cost is not applicable in other countries. Due to taxation, it is usually different and on the higher side. Those individuals who are not in the USA can find out how much they should pay for the test on the official webpage.

NEW QUESTION # 205

You restore Resource Schedule Optimization. You need to optimize individual resource schedules. What should you do?

- A. From the schedule board, click Actions and select Optimize Schedule.
- B. From the schedule board, right-click a Resource record and select Optimize Schedule.
- C. In Field Service Administration, locate a Resource record and select Optimize Schedule.
- D. In Resource Schedule Optimization, locate a User record and select Optimize Schedule.

Answer: A

NEW QUESTION # 206

You implemented Microsoft Dynamics 365 Field Service. You are now managing changes as the team continues to use Dynamics 365. Dispatchers are reporting that the schedule board is difficult to navigate because resources can be scheduled 24 hours of the day. However, resources for this organization only work between 7am and 5pm in the Greenwich Mean Time Zone (GMT). You need to modify the schedule board to resolve this issue.

What should you do?

- A. Modify the existing schedule board tabs and ensure the working time for the tab is set to 7am to 5pm GMT.
- B. Adjust the working hours of the resources to 7am to 5pm GMT.
- C. Create a schedule board tab for the resources working 7am to 5pm GMT and ensure all the resources have been added to that tab.
- D. Modify the existing schedule board tabs to only include resources working 7am to 5pm GMT.

Answer: A

NEW QUESTION # 207

You are a dispatcher for a cable installation company that provides installation services in multiple territories.

The company is using Dynamics 365 for Field Service to manage their work orders. Every time a work order is created, the dispatch team is manually assigning the work order to a territory in order to book the correct resources.

You are tasked with ensuring that Dynamics 365 will automatically assign work orders to territories so that the dispatcher can search for the correct resources.

Which four steps, in sequence, must be configured to ensure that when work orders are created they will automatically be mapped to the correct territory? To answer, move the appropriate actions from the list of actions to the answer area and arrange them in the correct order.

Steps

Add new resource territories.

Add new service territories.

Assign members to territories.

Map postal codes to service territories.

From the view of Active Resources, click the assign territories button in the menu ribbon.

Use the territory lookup on each user record to assign territory.

Answer:

Explanation:

Answer Area

Add new service territories.

Add new resource territories.

Map postal codes to service territories

Assign members to territories.

1 - Add new service territories.

2 - Add new resource territories.

3 - Map postal codes to service territories.

4 - Assign members to territories.

NEW QUESTION # 208

Note: This question is part of a series of questions that present the same scenario. Each question in the series contains a unique solution that might meet the stated goals. Some question sets might have more than one correct solution, while others might not have a correct solution.

After you answer a question in this section, you will NOT be able to return to it. As a result, these questions will not appear in the review screen.

You are implementing Microsoft Dynamics 365 Field Service for a health care institution. Each day, the institution receives a large number of appointment requests for pediatricians.

You have the following requirements:

- create a daily schedule for pediatricians with a frequency of 30 minutes for each slot.

- provide a full-day schedule with start times and end times.

Solution: You create a fulfillment preference with time group details with a duration of 30 minutes for the whole day, associate it to a requirement, and then book the requirement with the schedule assistant.

Does this meet the goal?

- A. Yes
- B. No

Answer: A

NEW QUESTION # 209

.....

What is the selling point of a product? It is the core competitiveness of this product that is ahead of other similar brands. The core competitiveness of the MB-240 study materials, as users can see, we have a strong team of experts, the MB-240 study materials are advancing with the times, updated in real time, so that's why we can with such a large share in the market. Through user feedback recommendations, we've come to the conclusion that the MB-240 Study Materials have a small problem at present, in the rest of the company development plan, we will continue to strengthen our service awareness, let users more satisfied with our MB-240 study materials, we hope to keep long-term with customers, rather than a short high sale.
