NEW QUESTION # 112

You are a functional consultant for a company named Contoso Entertainment System USA (USMF).

You plan to trade a product named Professional Speaker Cable in the color gray.

You need to release all the available variants of Professional Speaker Cable in gray.

To complete this task, sign in to Dynamics 365 portal.

Answer:

Explanation:

See explanation below.

- * Click Product information management > Common > Products > Product masters.
- * Select a product master, and then click Release products in the Product authorization group on the Action Pane.
- * Select all product variants in the Product variants group for the color gray.
- * Leave the defaults on the Select companies link.
- * Click OK to open the Product release session batch dialog box.
- * Select the Show Infolog upon failure check box to be notified if the release is not completed.
- * If the product master of the variants has not already been released to the company, select the Include product master check box.
