## **Maryland Insurance Administration Maryland Accident and Health or Sickness Producer Series 20-24 Exam Sample Questions (Q20-Q25):**

### **NEW QUESTION # 20**

An insurer may pay a commission directly or indirectly to:

- A. An unlicensed employee of the insurer
- **B. A producer whose license is terminated after earning the commission**
- C. Anyone soliciting business for the insurer
- D. A surplus lines broker operating without a license for less than one year

**Answer: B**

Explanation:

Commissions (Insurance Article, § 10-103) require a license, but a producer earning a commission while licensed can be paid post-termination. Unlicensed individuals or brokers can't legally receive commissions.

References: Maryland Insurance Article, § 10-103, § 10-130, § 3-306; MIA commission rules.

### **NEW QUESTION # 21**

In general practice, which one of the following is true of the powers of the Maryland Insurance Administration with respect to access to a producer's business records?

- A. Authorization must come from the National Association of Insurance Commissioners (NAIC)
- B. The Maryland Insurance Administration has no right to access a producer's business records because of privacy considerations
- C. Records can only be accessed by an order of a state court
- **D. Records must be produced upon the request of the Maryland Insurance Administration**

**Answer: D**

Explanation:

The MIA (Insurance Article, § 2-207) can request and access producer records for audits or investigations, overriding privacy for regulatory purposes. Court orders or NAIC approval aren't required, and access is a standard power.

References: Maryland Insurance Article, § 2-207; MIA regulatory authority.

### **NEW QUESTION # 22**

Which one of the following causes of death typically would be included under an accidental death rider attached to a life insurance policy?

- A. Illness or disease
- B. War or acts of war
- **C. Automobile accidents resulting from the insured's negligence**
- D. Intentionally self-inflicted injuries

**Answer: C**

Explanation:

Comprehensive and Detailed Step by Step Explanation: Accidental death riders provide additional benefits if the insured dies due to an unforeseen accident.

\* Automobile accidents resulting from the insured's negligence (D): Covered because negligence in driving does not disqualify the event from being an accident. The death must be directly and solely caused by the accident.

\* Intentionally self-inflicted injuries (A): Excluded as they are not accidental but intentional.  
\* Illness or disease (B): Excluded as accidental death benefits do not apply to natural causes.  
\* War or acts of war (C): Generally excluded under most policies as a specific clause addresses wartime risks.  
References: Maryland Insurance Guidelines for Accidental Death Riders and Policy Exclusions, COMAR 31.09.04.

### NEW QUESTION # 23

An insurance producer or advisor in the State of Maryland can be disciplined by the Maryland Insurance Administration for all of the following EXCEPT:

- A. Making false or misleading statements about dividends previously paid on similar policies
- B. Using inappropriate description of a policy to hide the true nature of the policy
- C. Making a misleading statement about the financial condition of an insurer
- D. Filing a complaint on behalf of the consumer with the Maryland Insurance Administration

**Answer: D**

Explanation:

The MIA (Insurance Article, § 10-126) disciplines producers for misrepresentation (§ 27-202, § 27-503), but filing a consumer complaint with the MIA is a legitimate advocacy action, not a disciplinary offense. It supports consumer protection, unlike the other deceptive practices.

References: Maryland Insurance Article, § 10-126, § 27-202, § 27-503; MIA producer regulations.

### NEW QUESTION # 24

All of the following services are covered under the Medicare Supplement preventive care benefit EXCEPT:

- A. Routine physical examinations
- B. Immunizations
- C. Hearing tests
- D. Outpatient prescription vitamins

**Answer: D**

Explanation:

Medicare Supplement (Medigap, Insurance Article, § 15-901) covers preventive services like immunizations, hearing tests (if Medicare-eligible), and physicals, but outpatient prescription vitamins aren't a standard benefit under Medicare or Medigap.

References: Maryland Insurance Article, § 15-901; CMS Medigap guidelines.
