

# GIAC GICSP Positive Feedback - VCE GICSP Dumps

DumpsReview assists people in better understanding, studying, and passing more difficult certification exams. We take pride in successfully servicing industry experts by always delivering safe and dependable exam preparation materials. DumpsReview GICSP Exam Questions make it possible to appear in the Global Industrial Cyber Security Professional (GICSP) exam confidently without any fear of failure. DumpsReview has extensive experience in compiling the GICSP exam questions for the GIAC exam.

The superb GICSP practice braindumps have been prepared extracting content from the most reliable and authentic exam study sources by our professional experts. As long as you have a look at them, you will find that there is no question of inaccuracy and outdated information in them. And our GICSP Study Materials are the exact exam questions and answers you will need to pass the exam. What is more, you will find that we always update our GICSP exam questions to the latest.

## Download GIAC GICSP Real Dumps and Start This Journey

Experts at DumpsReview strive to provide applicants with valid and updated GIAC GICSP exam questions to prepare from, as well as increased learning experiences. We are confident in the quality of the GIAC GICSP preparational material we provide and back it up with a money-back guarantee. DumpsReview provides GIAC GICSP desktop-based practice software for you to test your knowledge and abilities. The GICSP desktop-based practice software has an easy-to-use interface.

## GIAC Global Industrial Cyber Security Professional (GICSP) Sample Questions (Q19-Q24):

### NEW QUESTION # 19

You are tasked with securing communications in an ICS network that uses the Modbus and DNP3 protocols. Which of the following security measures should you implement to protect these communications?

(Select all that apply)

Response:

- A. Use VPNs to secure communications between devices
- B. Implement deep packet inspection to detect abnormal traffic patterns
- C. Disable encryption to increase communication speed
- D. Regularly monitor and audit network traffic for signs of compromise

Answer: A,B,D

### NEW QUESTION # 20

Which document should be updated to include incident handling while in the Planning phase of incident response?

- A. Disaster recovery plan
- B. Access control policy

- C. Backup policy
- D. Vulnerability report

**Answer: A**

Explanation:

The Disaster Recovery Plan (DRP) (A) is the document that should incorporate incident handling procedures during the planning phase. It details how to respond to and recover from incidents to restore normal operations.

Access control policy (B) governs permissions.

Backup policy (C) describes data backup processes but not incident handling.

Vulnerability report (D) is an assessment document, not a procedural plan.

GICSP underscores integrating incident response within disaster recovery planning to ensure comprehensive preparedness.

### NEW QUESTION # 21

What is the primary purpose of encryption in wireless communication within ICS networks?

Response:

- A. To reduce the amount of data transmitted
- B. To increase data transmission speed
- C. To improve signal strength
- **D. To protect data from unauthorized access during transmission**

**Answer: D**

### NEW QUESTION # 22

What is the role of a Distributed Control System (DCS) at Level 2 in an ICS environment?

Response:

- A. Handling external network traffic
- B. Storing large datasets for future analysis
- **C. Managing real-time process control and monitoring**
- D. Conducting business planning and logistics

**Answer: C**

### NEW QUESTION # 23

What is the main purpose of the Modbus protocol in an ICS environment?

Response:

- A. To provide high-speed internet connectivity
- B. To encrypt communications between devices
- **C. To facilitate communication between supervisory control systems and field devices**
- D. To manage enterprise resource planning (ERP) systems

**Answer: C**

### NEW QUESTION # 24

.....

To go with the changing neighborhood, we need to improve our efficiency of solving problems, which reflects in many aspect as well as dealing with GICSP exams. Our GICSP practice materials can help you realize it. To those time-sensitive exam candidates, our high-efficient GICSP Actual Tests comprised of important news will be best help. Only by practicing them on a regular base, you will see clear progress happened on you. You can download GICSP exam questions immediately after paying for it, so just begin
