Our company attaches great importance to overall services, if there is any problem about the delivery of SPP exam materials, please let us know, a message or an email will be available.

## IASPStrategy Planning Professional Exam Sample Questions (Q148-Q153):

### NEW QUESTION # 148

An organization's choice to lower quality standards via budget cuts, rather than investing so as to achieve higher quality standards, is an example of

- A. escalation.
- B. motivation.
- C. shifting the burden.
- D. eroding goals.

**Answer: D**

Explanation:

Eroding goals refers to the gradual lowering of performance or quality standards to cope with challenges or budget constraints, which undermines long-term strategic success. Rather than investing to improve quality, the organization reduces expectations to fit limited resources. This can become a dangerous cycle leading to deteriorated products, services, and competitiveness. The IASP SPP curriculum highlights eroding goals as a common pitfall in strategy implementation, emphasizing the need to maintain high standards or innovate rather than compromise quality. #IASP SPP Study Guide - Strategy Risks and Pitfalls##Senge, The Fifth Discipline#

### NEW QUESTION # 149

Which of the following is MOST responsible for changing organization culture to better align it with a new strategy?

- A. Human resources department
- **B. Chief executive officer and the senior management team**
- C. Consultant retained to lead the effort
- D. Planning team

**Answer: B**

Explanation:

The chief executive officer (CEO) and senior management team hold primary responsibility for changing organizational culture to align with new strategic directions. Their leadership behaviors, decisions, and communications set the tone and expectations that influence culture. The IASP SPP framework emphasizes that cultural transformation requires visible and sustained commitment from top leaders who model desired values and allocate resources accordingly. While HR and consultants can facilitate initiatives, the authority and influence of senior leadership are essential to embed cultural change and ensure organizational-wide adoption. #IASP SPP Study Guide - Culture Change##Kotter, Leading Change#

### NEW QUESTION # 150

People are MOST likely to be influenced by a leader's

- A. Statements and vision.
- B. Passion and emotions.
- **C. Actions and behaviors.**
- D. Style and personality.

**Answer: C**

Explanation:

People are primarily influenced by a leader's actions and behaviors, which demonstrate values and build trust. The IASP SPP curriculum emphasizes that authentic leadership is shown through consistent behavior, which inspires and motivates more than words or charisma alone. Actions align vision with reality and drive organizational culture. #IASP SPP Study Guide - Leadership##Goleman, Emotional Intelligence#

### NEW QUESTION # 151

Which of the following is the most important reason for ensuring employee engagement?

- A. Resistance from the cynics is overcome
- B. No one likes to be surprised
- **C. People tend to support what they help create**
- D. It is part of progressive corporate cultures

**Answer: C**

Explanation:

Employee engagement is critical because people are more likely to support initiatives they help create. Engagement fosters ownership, motivation, and reduces resistance, leading to better implementation outcomes. The IASP SPP curriculum underlines that meaningful involvement builds trust and commitment essential for successful strategic change. Avoiding surprises or culture alone do not generate as strong a foundation for support as participation. #IASP SPP Study Guide - Employee Engagement##Kotter, Leading Change#

### NEW QUESTION # 152

Which of the following is MOST characteristic of strategic thinking?

- A. Strategic thinking should follow a uniform repetitive process within the organization
- B. Top management should do the strategic thinking within the organization

- C. Strategic thinking should be integrated into day-to-day decision-making
- D. Strategic thinking should dovetail into the annual budgeting process

**Answer: C**

Explanation:

Strategic thinking is most effective when integrated into daily decision-making at all organizational levels, allowing continuous adaptation and alignment with strategic goals. The IASP SPP curriculum stresses that strategy is not a one-time event but an ongoing mindset embedded in everyday choices, fostering innovation and responsiveness. Uniform or annual processes limit agility, and restricting strategic thinking to top management narrows perspective and engagement. #IASP SPP Study Guide - Strategic Thinking##Senge, The Fifth Discipline#

## NEW QUESTION # 153

.....
