## Peoplecert MSP Foundation Exam (5th Edition) Sample Questions (Q105-Q110):

### NEW QUESTION # 105

Which is a purpose of the programme strategy?

- A. To define the programme's rules for managing the programme's risks and resources
- B. To describe the desired future state following programme delivery
- C. To define the relationship between capabilities, outcomes and benefits
- D. To specify the investing organization's future working practices

**Answer: A**

Explanation:

Comprehensive and Detailed Explanation From Exact Extract:

The programme strategy defines the guiding framework for how the programme will be managed, including how risks, resources, finance, and benefits are handled.

MSP Foundation, 5th Edition describes:

"The programme strategy defines the high-level approach and controls for how the programme will be managed across all governance themes." Thus, option A is correct.

### NEW QUESTION # 106

During which process would a project report progress?

- A. Embed the outcomes
- B. Deliver the capabilities
- C. Evaluate new information
- D. Design the outcomes

**Answer: B**

### NEW QUESTION # 107

During which process would you manage the transition from old to new ways of working?

- A. Embed the outcomes
- B. Plan progressive delivery
- C. Identify the programme
- D. Design the outcomes

**Answer: A**

Explanation:

Comprehensive and Detailed Explanation From Exact Extract:

The "Embed the Outcomes" process is responsible for supporting business operations in adopting new capabilities and embedding those into everyday practice. This includes managing the transition from legacy practices to the improved or new ways of working introduced by the programme.

MSP Foundation, 5th Edition states:

"This process ensures that the new capabilities are embedded, enabling the organization to transition from old to new ways of working." Thus, option D is correct.

-

### NEW QUESTION # 108

Which project delivery mode aims to complete the delivery of outputs within a single pass through sequential phases?

- A. Continual improvement
- B. Iterative project
- C. Hybrid project lifecycle
- **D. Linear project**

**Answer: D**

#### NEW QUESTION # 109

How does the 'organization' theme apply the 'deal with ambiguity' principle?

- A. By facilitating interactions between organizational units and stakeholders
- B. By overseeing the development of the required number of resources and their skills
- C. By defining the risk appetite and enabling transparency of risks being taken
- **D. By adapting structures and roles over time to align with business operations**

**Answer: D**

Explanation:

Comprehensive and Detailed Explanation From Exact Extract:

The "Organization" theme supports the "Deal with ambiguity" principle by remaining flexible in how governance and roles evolve to match changing circumstances throughout the programme.

MSP Foundation, 5th Edition explains:

"The organization theme supports the principle by allowing roles and structures to evolve in response to ambiguity and change."

Therefore, the correct answer is A.
