## PDF GREM VCE | Hot GREM Questions

The GIAC GREM exam questions are being updated on a regular basis. As you know the GIAC GREM exam syllabus is being updated on a regular basis. To add all these changes in the GIAC GREM exam dumps we have hired a team of exam experts. They regularly update the GREM Practice Questions as per the latest GREM exam syllabus. So you have the option to get free GIAC Reverse Engineering Malware exam questions update for up to 1 year from the date of GREM PDF dumps purchase.

## GIAC Reverse Engineering Malware Sample Questions (Q121-Q126):

### NEW QUESTION # 121

Which of the following would be considered an advanced static analysis technique?

- A. Monitoring the CPU usage during malware execution
- B. Executing the malware in a controlled environment to observe its behavior
- C. Manually decompiling the malware to understand its source code
- D. Scanning the malware with antivirus software to find a match

**Answer: C**

#### NEW QUESTION # 122

You are performing malware analysis on a suspicious executable. The sample creates multiple new processes, modifies the registry, and connects to external IP addresses during execution.

How would you proceed to capture and analyze this behavior? (Choose three)

- A. Isolate the malware in a sandbox environment to prevent it from affecting the host system.
- B. Use IDA Pro to statically analyze the malware's assembly code.
- C. Use a network monitoring tool to capture and analyze outbound network traffic.
- D. Use Process Monitor to track the process creation and registry modifications.
- E. Hash the sample to ensure its integrity before and after execution.

**Answer: A,C,D**

#### NEW QUESTION # 123

What does the presence of DllImport attribute indicate in a .NET assembly? (Choose Two)

- A. Automatic garbage collection
- B. Direct invocation of unmanaged code
- C. An attempt to perform network communication
- D. Interoperability with Windows API functions

**Answer: B,D**

#### NEW QUESTION # 124

You are analyzing an obfuscated malware sample that has been packed using a custom packer.

The malware also uses XOR encoding to obfuscate key strings, making static analysis difficult.

How would you proceed with the analysis? (Choose three)

- A. Use network monitoring tools to capture traffic generated by the malware.
- B. Manually decode the XOR-encoded strings by identifying the key used in the encoding process.
- C. Use a dynamic analysis tool like a sandbox to observe the malware's behavior after unpacking.
- D. Use a debugger to step through the unpacking process and observe memory locations where the actual code is revealed.
- E. Disassemble the packed binary to directly analyze its obfuscated code.

**Answer: B,C,D**

#### NEW QUESTION # 125

When analyzing a ransomware sample you find code referencing CryptDeriveKey. What does this indicate?

- A. Encryption routine
- B. Persistence payload
- C. VM introspection
- D. Code signing

**Answer: A**

#### NEW QUESTION # 126

.....

If you care about your qualification exams and have some queries about GREM preparation materials, we are pleased to serve for you, you can feel free to contact us via email or online service about your doubt. Our company are established more than 10 years, our quality of GREM valid practice test questions are the leading position in this filed. We believe our GREM exam guide will help you pass exam easily without too much spirit & time. All our GREM training materials are compiled painstakingly.

Our GREM learning guide can offer you the latest and valid exam materials, GIAC Interactive GREM Questions Today's era is a time of fierce competition, If you can obtain the job qualification GREM certificate, which shows you have acquired many skills, GIAC Interactive GREM Questions We release the best exam preparation materials to help you exam at the first attempt, GIAC Interactive GREM Questions The clients can consult our online customer staff about how to refund, when will the money be returned backed to them and if they can get the full refund or they can send us mails to consult these issues.
