Free PDF Quiz 2026 Trustable Huawei H19-341_V1.0: Valid HCSA-Field-Intelligent Collaboration V1.0 Test Materials

No doubt the HCSA-Field-Intelligent Collaboration V1.0 (H19-341_V1.0) certification is one of the most challenging certification exams in the market. This H19-341_V1.0 certification exam gives always a tough time to HCSA-Field-Intelligent Collaboration V1.0 (H19-341_V1.0) exam candidates. The Lead2PassExam understands this hurdle and offers recommended and real H19-

341_V1.0 Exam Practice questions in three different formats. These formats hold high demand in the market and offer a great solution for quick and complete HCSA-Field-Intelligent Collaboration V1.0 (H19-341_V1.0) exam preparation.

Huawei HCSA-Field-Intelligent Collaboration V1.0 Sample Questions (Q58-Q63):

NEW QUESTION # 58

Huawei IdeaHub S2/B2 is an all-in-one endpoint, which includes: camera, electronic whiteboard, display, projector, speaker, and microphone.

- A. FALSE
- B. TRUE

Answer: B

Explanation:

The Huawei IdeaHub S2/B2 is defined as a "6-in-1" intelligent collaboration device. It is designed to replace multiple disparate pieces of office equipment by integrating their functions into a single chassis:

- * Camera: Built-in 4K professional camera.
 - * Electronic Whiteboard: Ultra-low latency touchscreen for writing.
 - * Display: High-definition 4K professional screen.
 - * Projector: Replaces traditional projection with 4K wireless screen sharing.
 - * Speaker: Integrated high-fidelity speaker array.
 - * Microphone: Integrated beamforming microphone array with an 8-meter pickup range.
- This "all-in-one" design simplifies meeting room cable management and deployment.

NEW QUESTION # 59

Extranet endpoints can register to the intranet SC server in Huawei On-Premises platform.

- A. FALSE
- B. TRUE

Answer: A

Explanation:

In a standard Huawei "Back-to-Back" (B2B) firewall traversal architecture, extranet endpoints (those outside the corporate network) do not register directly to the intranet SC. Instead, they register to the SC located in the DMZ (Demilitarized Zone). The DMZ SC acts as the Traversal Server (TS), while the intranet SC acts as the Traversal Client (TC). This setup ensures that the internal network remains secure, as only the DMZ-based SC is exposed to the public internet to handle signaling and registration for external sites.

NEW QUESTION # 60

The advantages of optical anti-blue light over software anti-blue light are ().

- A. The picture has no color cast.
- B. Lower proportion of harmful blue light.
- C. No need manually to enable this feature.
- D. All of the above.

Answer: D

Explanation:

Optical Anti-Blue Light is a hardware-based solution that shifts the peak wavelength of harmful blue light (415nm-455nm) to a safer range at the source (LED backlight).

- * No color cast (A): Unlike software filters that apply a yellow/orange tint to the screen, optical filtering maintains accurate, natural color reproduction.
- * Lower harmful light (B): It physically reduces up to 60% of high-energy short-wave blue light while preserving color depth.
- * Always-on (C): Because it is built into the backlight, it is active 100% of the time without requiring the user to navigate menus or enable "Night Mode" manually.

NEW QUESTION # 61

In Huawei digital classroom solution, the features of the digital blackboards including: (Select All that can apply)

- A. HUAWEI IdeaHub Board 2 can be seamlessly connected to the digital blackboards.
- B. Teachers can write on the digital blackboard as easily as they would on a traditional blackboard.
- C. Teachers and students can save blackboard content effortlessly by scanning a QR code.
- D. Teachers and students cannot save blackboard content effortlessly by scanning a QR code.

Answer: A,B,C

Explanation:

The Huawei Digital Blackboard is a companion device to the IdeaHub Board 2, designed to bridge traditional teaching habits with digital efficiency:

- * Traditional Writing (A): It supports writing with traditional chalk or liquid pens, allowing teachers to maintain their existing teaching style.
- * Content Saving (B): Through "Scan-to-Take," the handwritten content on the blackboard can be digitized and shared. Users simply scan a QR code displayed on the screen to save the notes to their mobile devices.
- * Seamless Integration (D): The digital blackboard is specifically engineered to pair with the IdeaHub Board 2, allowing for synchronized erasing and content mirroring between the analog writing surface and the digital display.
- * Option C is incorrect because it is the direct opposite of a core feature of the solution.

NEW QUESTION # 62

Which of the following specifications are supported by Huawei CloudLink Bar 310? (Select all that apply)

- A. Dual-band Wi-Fi (2.4 GHz and 5 GHz)
- B. 12x PTZ optical zoom
- C. H.265 HD codec
- D. Microphone array with 8 m sound pickup

Answer: A,C,D

Explanation:

The Huawei CloudLink Bar 310 is an integrated "all-in-one" video conferencing terminal designed for small to medium-sized rooms.

- * Codec (A): It supports high-efficiency H.265 (HEVC) coding, which allows for 1080p HD video at significantly lower bandwidths compared to H.264.
- * Network (B): It features built-in dual-band Wi-Fi, allowing it to connect to either 2.4 GHz or 5 GHz networks for flexible deployment without wired Ethernet.
- * Audio (D): It is equipped with a built-in MEMS microphone array that provides a 8-meter voice pickup radius.
- * Camera (C) is incorrect: The Bar 310 uses a fixed-lens wide-angle camera with digital zoom (typically 5x). High-ratio optical zoom like 12x PTZ is found on the Box series (like the Box 310/610) when paired with external cameras like the Camera 200.

NEW QUESTION # 63

.....

With the H19-341_V1.0 certification exam you can climb up the corporate ladder faster and achieve your professional career objectives. Do you plan to enroll in the Huawei H19-341_V1.0 certification exam? Looking for a simple and quick way to crack the H19-341_V1.0 test? If your answer is yes then you need to start Huawei H19-341_V1.0 Test Preparation with Huawei H19-341_V1.0 PDF Questions and practice tests. With the Lead2PassExam HCSA-Field-Intelligent Collaboration V1.0 H19-341_V1.0 practice test questions you can prepare yourself shortly for the final Huawei H19-341_V1.0 exam.
