WorldatWork Certified Compensation Professional (CCP) program is a globally recognized certification that validates the advanced knowledge, skills, and expertise required to develop and implement effective compensation plans. The program consists of four courses, each covering a different aspect of compensation management. The Regulatory Environments for Compensation Programs (C1) Exam is the first course in the CCP program.

WorldatWork C1 certification exam covers a wide range of topics related to compensation regulation, including compliance with federal and state laws, tax laws, and regulations related to benefits programs. Candidates will be tested on their knowledge of the legal and regulatory frameworks that govern compensation programs and will be expected to demonstrate an understanding of these complex laws and regulations. C1 Exam is designed to be challenging, but those who pass it will have a clear understanding of the regulatory environments that impact compensation programs.

To be eligible to take the C1 exam, candidates must have at least two years of professional experience in compensation and benefits, in addition to being a WorldatWork member. Regulatory Environments for Compensation Programs certification is ideal for practitioners who want to demonstrate their expertise in regulatory compliance and risk management related to compensation programs.
