(Q155-Q160):

NEW QUESTION # 155

Leadership at Northern Trail Outfitters wants to see a dashboard showing the success rate of customers that have been through a Welcome Series Journey in the last 7 days. Where should they find this dashboard?

- **A. Datorama Reports - Journey Performance**
- B. Journey Builder - Journey History
- C. Reports - Journey Engagement

Answer: A

Explanation:

Datorama Reports - Journey Performance is where leadership at NTO should find the dashboard showing the success rate of customers that have been through a Welcome Series Journey in the last 7 days. Datorama Reports is a feature that provides advanced analytics and insights for Marketing Cloud journeys. It allows you to create custom dashboards and reports that measure the performance of your journeys based on various metrics, such as engagement, conversion, revenue, etc. You can also filter your data by time range, journey name, version, status, etc. Journey Builder - Journey History shows the history of journey versions, activations, and deactivations, but not the success rate of customers. Reports - Journey Engagement shows the engagement metrics for a specific journey version, such as sent, delivered, open, click, etc., but not the success rate of customers.

NEW QUESTION # 156

Northern Trail Outfitters (NTO) has multiple lines of businesses sharing one business unit. NTO wants to ensure its customers can identify their specific line of business when receiving an email. Which setting should be configured in a send to identify the line of business sending the message?

- **A. Sender Profile**
- B. Brand Builder
- C. Sender Authentication Package

Answer: A

Explanation:

Explanation

The Sender Profile is the setting that allows you to configure the From Name, From Email, and Reply Email for a send. This can help identify the line of business sending the message. The Sender Authentication Package is a feature that enables you to use your own domain in your email links, images, and reply addresses. The Brand Builder is a tool that helps you create a consistent look and feel for your emails, landing pages, and microsites. You can learn more about these settings in the Email Creation and Sending module on Trailhead.

NEW QUESTION # 157
