Furthermore, we use international recognition third party for your payment for CASPO-001 exam dumps, and your money and account safety can be guaranteed. If you find your interests haven't been guaranteed, you can ask for the refund.

GAQM Certified Agile Scrum Product Owner (CASPO) Sample Questions (Q33-Q38):

NEW QUESTION # 33

Which are NOT appropriate topics for discussion in a Sprint Retrospective? (Choose the best two answers)

- A. How the team does its work
- **B. The value of work currently represented in the Product Backlog**
- C. Team relations
- D. Definition of "Done"
- **E. Sprint Backlog for the next Sprint**

Answer: B,E

Explanation:

The Scrum Guide states: "The purpose of the Sprint Retrospective is to plan ways to increase quality and effectiveness" by inspecting the last Sprint's people, processes, and tools.

* D: The next Sprint's Sprint Backlog is planned in Sprint Planning, not the Retrospective, making it inappropriate.

NEW QUESTION # 34

True or False: Scrum is a methodology that tells in detail how to build software incrementally.

- **A. False**
- B. True

Answer: A

Explanation:

The Scrum Guide defines Scrum as "a lightweight framework that helps people, teams, and organizations generate value through adaptive solutions for complex problems." It provides roles, events, and artifacts but intentionally avoids prescribing detailed "how-to" processes for building software (e.g., coding practices, tools). This distinguishes it from a methodology, which offers specific steps. Scrum focuses on "what" (e.g., deliver an Increment) and leaves "how" to the team's discretion, making the statement false. Thus, B is correct.

NEW QUESTION # 35

What happens if the customer no longer wants the feature that the Sprint Goal intended to meet? (Choose the best answer)

- A. The Scrum Master should cancel the Sprint
- **B. The Product Owner should cancel the Sprint**
- C. The executive stakeholders should determine if the Sprint should continue

Answer: B

Explanation:

If the Sprint Goal becomes obsolete (e.g., a feature is no longer needed), the Product Owner can cancel the Sprint. The Scrum Guide states: "A Sprint can be cancelled if the Sprint Goal becomes obsolete. Only the Product Owner has the authority to cancel the Sprint."

* A: Correct-the Product Owner decides.

* B: Stakeholders advise, but don't decide.

NEW QUESTION # 36

True or False: In the Sprint Review, the Product Backlog is re-prioritized by the stakeholders.

- A. False
- B. True

Answer: A

Explanation:

The Product Backlog is managed solely by the Product Owner, not stakeholders. The Scrum Guide explains:

"The Sprint Review is a working session... The Product Owner discusses the Product Backlog as it stands." Stakeholders provide feedback during the Sprint Review, which the Product Owner may use to adjust priorities, but they don't directly re-prioritize it.

* A: False-stakeholders don't have this authority.

NEW QUESTION # 37

Who assigns ownership of the Sprint Backlog items during the Sprint? (Choose the best answer)

- A. Individual Team Members
- B. Whoever has the skills
- C. The Product Owner
- D. There is no single owner of a Product Backlog item, the entire team owns the Sprint Backlog

Answer: D

Explanation:

The Sprint Backlog is collectively owned by the Developers, not assigned to individuals. The Scrum Guide defines it as: "The Sprint Backlog is a plan by and for the Developers... It is a highly visible, real-time picture of the work that the Developers plan to accomplish during the Sprint." Self-organization means the Developers decide who does what, without fixed ownership of items.

* A, B: Individual assignment isn't mandated; it's a team effort.

* C: Correct-the Developers as a whole own it.

NEW QUESTION # 38

.....

We really take the requirements of our worthy customers into account. Perhaps you know nothing about our CASPO-001 study guide. Our free demos of our CASPO-001 learning questions will help you know our study materials comprehensively. As we have three different kinds of the CASPO-001 Practice Braindumps, accordingly we have three kinds of the free demos as well. They are a small part of the questions and answers of the CASPO-001 learning quiz.
