FC0-U71 New Guide Files | FC0-U71 Test Study Guide

We have a lasting and sustainable cooperation with customers who are willing to purchase our FC0-U71 actual exam. We try our best to renovate and update our FC0-U71 study materials in order to help you fill the knowledge gap during your learning process, thus increasing your confidence and success rate. At the same time, FC0-U71 Preparation baidumps can keep pace with the digitized world by providing timely application. You will never fell disappointed with our FC0-U71 exam quiz.

CompTIA Tech+ Certification Exam Sample Questions (Q78-Q83):

NEW QUESTION # 78

A user's internet speed is slow. The user logs in to the router's administrator portal and sees that unauthorized devices are connected to the network. Which of the following actions should the user take to prevent unauthorized use of the network?

- A. Call the internet provider's support line.
- B. Decrease the Wi-Fi signal range.
- C. Reset the router.
- **D. Change the password.**

Answer: D

Explanation:

Changing the router's password (particularly the Wi-Fi password) prevents unauthorized users from reconnecting to the network. It's the most immediate and effective response.

"One of the most effective ways to secure a wireless network is by changing the default and existing passwords to prevent unauthorized access." - CompTIA ITF+ Security Topics Calling support may help but doesn't address the issue directly.

Decreasing signal range may reduce but not eliminate access.

Resetting the router is more disruptive and unnecessary if the password can be changed.

Correct answer: C

NEW QUESTION # 79

A user is unable to load the most recent version of a web page. The old page loads each time the screen is refreshed. Which of the following would the user most likely do to resolve the issue?

- A. Disable browser extensions.
- B. Synchronize the profile.
- C. Enable the pop-up blocker.
- **D. Clear the cache.**

Answer: D

Explanation:

Clearing the cache removes stored versions of web pages that the browser may be reloading instead of fetching the latest version. This is the most likely fix when a web page displays outdated content.

Profile sync, extensions, and pop-up blockers are unrelated to loading cached pages.

NEW QUESTION # 80

Given the following table:

□ Which of the following fields best represents a primary key?

- A. Name
- B. Month
- C. Year
- **D. ID**
- E. Day

Answer: D

Explanation:

A primary key is a unique identifier for each record in a database table. It must be unique and not null across all rows. In this table, the field ID is the only column that uniquely identifies each row and does not repeat.

"A primary key is a field (or a set of fields) that uniquely identifies a record in a table. It ensures that each record can be uniquely retrieved." - CompTIA ITF+ Official Study Guide Analysis of other options:

Month, Day, Year, and Name can have duplicate values across multiple records and therefore do not serve as unique identifiers.

Correct answer: A

The ID field contains unique values for each record and is typically used as a primary key in a database. A primary key uniquely identifies each row in a table.

Month, Day, Year, and Name may have duplicates and do not guarantee uniqueness.

NEW QUESTION # 81

Which of the following is used to represent a device's physical address?

- A. Binary
- B. Octal
- C. Decimal
- **D. Hexadecimal**

Answer: D

Explanation:

A device's physical address, also known as a MAC (Media Access Control) address, is typically represented in hexadecimal format (e.g., 00:1A:2B:3C:4D:5E).

Other options:

*Binary is used internally by computers,

*Decimal and Octal are not standard formats for MAC addresses.

NEW QUESTION # 82

Which of the following is a GPU an example of?

- A. Storage
- **B. Processing**
- C. Output
- D. Input

Answer: B

Explanation:

A GPU (Graphics Processing Unit) is a specialized processor designed to perform calculations related to rendering images and videos. It's an example of a processing component.

"The GPU is a processor dedicated to graphical computations and image rendering, assisting or replacing the CPU in handling visual data." - CompTIA ITF+ Hardware Essentials Correct answer: C

NEW QUESTION # 83

.....

To prepare for FC0-U71 exam, you do not need read a pile of reference books or take more time to join in related training courses, what you need to do is to make use of our TorrentVCE exam software, and you can pass the exam with ease. Our exam dumps can not only help you reduce your pressure from FC0-U71 Exam Preparation, but also eliminate your worry about money waste. We guarantee to give you a full refund of the cost you purchased our dump if you fail FC0-U71 exam for the first time after you purchased and used our exam dumps. So please be rest assured the purchase of our dumps.
