

# New MTCNA Braindumps Questions, MTCNA Latest Practice Questions

BONUS!!! Download part of Prep4away MTCNA dumps for free: <https://drive.google.com/open?id=1fvtrRRPb9f2gLfbbgGPtpynbofvUECJG>

According to the survey from our company, the experts and professors from our company have designed and compiled the best MTCNA cram guide in the global market. We can assure to all people that our MTCNA study materials will have a higher quality and it can help all people to remain an optimistic mind when they are preparing for the MTCNA Exam. On the contrary, people who want to pass the exam will persist in studying all the time. We deeply believe that the latest MTCNA study questions from our company will be most suitable and helpful for all people.

The MTCNA certification program is highly valued in the networking industry and is recognized globally by various organizations. MikroTik Certified Network Associate Exam certification program is an excellent way to showcase an individual's proficiency in networking and routing using MikroTik routers. MikroTik Certified Network Associate Exam certification program also helps individuals gain credibility and recognition in the industry, which can lead to better career opportunities and growth.

MikroTik MTCNA (MikroTik Certified Network Associate) Certification Exam is a globally recognized certification program that validates the skills and knowledge of networking professionals. MikroTik Certified Network Associate Exam certification program is designed to provide networking professionals with a comprehensive understanding of MikroTik RouterOS software and RouterBOARD hardware.

MikroTik MTCNA Certification program is a valuable certification for network professionals who want to enhance their skills in configuring, managing, and troubleshooting MikroTik networks. MikroTik Certified Network Associate Exam certification program is recognized globally and is highly regarded in the networking industry. The MTCNA certification is an excellent way for network professionals to demonstrate their competence in managing and troubleshooting MikroTik devices.

## Excel In The MikroTik MTCNA Exam With Accurate Web-Based Practice Tests

After paying our MTCNA exam torrent successfully, buyers will receive the mails sent by our system in 5-10 minutes. Then candidates can open the links to log in and use our MTCNA test torrent to learn immediately. Because the time is of paramount importance to the examinee, everyone hopes they can learn efficiently. So candidates can use our MTCNA Guide questions immediately after their purchase is the great advantage of our product. It is convenient for candidates to master our MTCNA test torrent and better prepare for the exam. We will provide the best service for you after purchasing our exam materials.

## MikroTik Certified Network Associate Exam Sample Questions (Q103-Q108):

### NEW QUESTION # 103

How many IP addresses can one find in the header of an IP packet?

- A. 0
- B. 1
- C. 2
- D. 3

**Answer: C**

#### NEW QUESTION # 104

The correct order for PPPoE discovery stage is:

- A. Request, Offer, Initialization and Session confirmation
- B. Initialization, Offer, Request and Session confirmation
- C. Initialization, Session confirmation, Request and Offer
- D. Request, Initialization, Session confirmation and Offer

**Answer: B**

Explanation:

PPPoE (Point-to-Point Protocol over Ethernet) uses a discovery stage before establishing the actual PPP session. The correct sequence is:

- \* Initialization # Client sends a PADI (PPPoE Active Discovery Initiation)
- \* Offer # Server responds with PADO (PPPoE Active Discovery Offer)
- \* Request # Client sends PADR (PPPoE Active Discovery Request)
- \* Session Confirmation # Server sends PADS (PPPoE Active Discovery Session-confirmation)
- \* A.#Wrong sequence
- \* B.#Correct - Matches the technical flow: PADI # PADO # PADR # PADS
- \* C.#Incorrect order
- \* D.#Incorrect order

Extract from MTCNA Course Material - PPPoE Process:

"The PPPoE discovery stage includes PADI, PADO, PADR, and PADS messages. This translates to Initialization, Offer, Request, Session confirmation." Extract from MikroTik Wiki - PPPoE Protocol:

"The discovery stage is used to establish a PPPoE session and includes four steps: PADI, PADO, PADR, and PADS."

#### NEW QUESTION # 105

Which statements are true regarding ICMP packets?

ICMP guarantees datagram delivery.

ICMP can provide hosts with information about network problems.

ICMP is encapsulated within IP datagrams.

ICMP is encapsulated within UDP datagrams.

- A. All of the above
- B. 2 and 3
- C. 1 only
- D. 1 and 4

**Answer: B**

#### NEW QUESTION # 106

Collisions are possible in full-duplex Ethernet networks:

- A. false
- B. true

**Answer: A**

Explanation:

In full-duplex Ethernet, devices can transmit and receive simultaneously on separate physical or logical channels. This eliminates the possibility of collisions because there is no need for devices to listen before transmitting - unlike half-duplex Ethernet, which uses

CSMA/CD to manage potential collisions.

Full-duplex connections are the standard in modern switching environments and are always collision-free.

MTCNA Official Course Material - Ethernet & Duplex Modes:

"In full-duplex Ethernet, there are separate transmit and receive paths, and therefore, collisions cannot occur." Rene Meneses Study Guide - Ethernet Basics:

"Full-duplex = simultaneous send/receive = no collisions. Collisions are a legacy issue from half-duplex Ethernet." Terry Combs

MTCNA Notes - CSMA/CD and Ethernet:

"Collision Detection (CD) is not used in full-duplex. Only half-duplex environments use CSMA/CD to manage access."

### NEW QUESTION # 107

If 'check-gateway' is enabled for an ECMP route and one of the gateways is unreachable, then:

- A. The unreachable gateway is not going be used in Round Robin algorithm.
- B. The ECMP route becomes inactive.
- C. ECMP is going to send packets to all gateways even if one is unreachable.

Answer: A

### NEW QUESTION # 108

.....

Generally speaking, reviewing what you have learned is important, since it will help you have a good command of the knowledge points. MTCNA Online test engine has testing history and performance review, so that you can have a general review of what you have learned before next learning. In addition, MTCNA exam dumps is convenient and easy to study, it supports all web browsers and Android and iOS etc. You can also practice offline if you like. We provide you with free update for 365 days for MTCNA Exam Materials, so that you can get the latest information for the exam timely. And the latest information for MTCNA exam dumps will be auto sent to you.
