Q224):

問題 #219

Which statement about the quality review technique is FALSE?

- A. It enables a check to be made on a product's fitness for purpose
- B. It is used to gain wider acceptance of a product by involving key interested parties
- C. It defines the quality responsibilities of the project team
- D. It supports the management of future changes by providing a baseline for a product

答案: C

問題 #220

According to the 'defined roles and responsibilities' principle, what must be represented in the project management team?

- A. Directing, managing and delivering levels
- B. Project board, project manager and project assurance roles
- C. Corporate, programme management or the customer parties
- D. Business, user and supplier interests

答案: D

解題說明:

According to the 'defined roles and responsibilities' principle in PRINCE2, the project management team must represent the business, user, and supplier interests. This ensures that all critical viewpoints are considered in decision-making processes, aligning the project outcomes closely with organizational needs and stakeholder expectations. - A. Project Assurance ensures compliance to standards within the project environment; quality assurance ensures compliance across the organization
- B. Project Assurance is independent of the Project; quality assurance is only independent of the Project Manager
- C. Project Assurance may be delegated within a project; quality assurance must be undertaken by the Project Board
- D. Project Assurance is the responsibility of the corporate organization; quality assurance is the responsibility of the Project Board

答案: A

問題 #222

Which report must be used to inform the project board of a predicted deviation from agreed stage limits?

- A. End stage report
- B. Highlight report
- C. Exception report
- D. Checkpoint report

答案: C

解題說明:

The Exception Report must be used to inform the project board of a predicted deviation from the agreed stage limits. This report is triggered when stage tolerances are forecasted to be exceeded, requiring the project board's decision on how to proceed with the project.
