NEW QUESTION # 582
According to IIA guidance, which of the following is true of the internal audit activity's quality assurance and improvement program?
1 Monitoring the internal audit activity's performance must be ongoing
2 All aspects of the internal audit activity should be evaluated
3 The requirement for external assessments can be satisfied through self-assessments that are validated by an independent external party
4 The review of assurance services should be the primary focus

- A. 1 3 and 4
- B. 2 and 3 only

- C. 1 and 2 only
- D. 1, 2 and 3

Answer: D

NEW QUESTION # 583
During a payroll audit of a large organization, an auditor noted that the assistant personnel director is responsible for many aspects of the computerized payroll system, including adding new employees in the system; entering direct-deposit information for employees; approving and entering all payroll changes; and providing training for system users. After discussions with the director of personnel, the auditor concluded that the director was not comfortable dealing with information technology issues and felt obliged to support all actions taken by the assistant director. The auditor should:

- A. Review the engagement program to ensure testing of direct deposits to employee bank accounts is adequately covered.
- B. Test a sample of payroll changes to ensure that they were approved by the assistant director before being processed.
- C. Recommend to the chief audit executive that a fraud investigation be started.
- D. Continue to follow the engagement program because the engagement scope and objectives have already been discussed with management.

Answer: A

NEW QUESTION # 584
Which of the following audit findings would have the least impact (either positive or negative) on a department's control environment?

- A. Many department functions are duplicated or verified by other department employees.
- B. The department makes long-term investment risk decisions to maximize return on investment.
- C. Deficiencies were found in the appropriate authorization of transactions.
- D. The department manager sets and demonstrates a tone of honesty and integrity in all business dealings.

Answer: B

NEW QUESTION # 585
According to IIA guidance, which of the following best describes processes and tools typically used in ongoing internal assessments?

- A. Benchmarking of the internal audit activity's practices and performance.
- B. Report of internal assessment results, response plans, and outcomes.
- C. Analysis of performance metrics such as cycle times.
- D. Self-assessments and surveys of stakeholder groups.

Answer: C

NEW QUESTION # 586
A financial services organization's board is assessing increased regulations and its effect on current industry lending practices. Which of the following committees would help the board identify and assess the effects of the increased regulations?

- A. Audit committee.
- B. Quality committee.
- C. Risk committee.
- D. Governance committee.

Answer: A

NEW QUESTION # 587
.....
