## **Microsoft Dynamics 365 Field Service Functional Consultant Sample Questions (Q107-Q112):**

### **NEW QUESTION # 107**

Drag and Drop Question

You work for a digital billboard manufacturing company. When manufacturing is completed, the new digital billboards are shipped to a client site for installation. As the dispatcher for your company, you need to identify and schedule the different resources that are required to complete the installation of the digital billboard.

The installation of a billboard is a complicated process and requires a large team of resources all with different skills. These installations occur frequently, so you want to dispatch the resources for installations as efficiently as possible.

You need to configure multi-resource scheduling.

Which three steps should you perform, in sequence, to enable the multi-resource scheduling? To answer, move the appropriate actions from the list of actions to the answer area and arrange them in the correct order.

□

**Answer:**
