Exam Details

All in all, the CSSBB exam takes place in two different delivery modes which include computer-based testing (CBT) and the paper-based one. Both of them involve multiple-choice items and are aimed at testing the candidates' level of understanding of the CSSBB Body of Knowledge (BoK). As for the CBT mode, the exam has only one part containing 165 questions and is conducted in the English language only. Moreover, 15 items out of 165 are unscored inquiries. The total amount of time allotted for the computer-delivered test is 4 hours and 18 minutes. As for the second mode (the PBT evaluation), the exam also has one part and is offered in English too. However, it contains 150 questions in total, involves a four-hour period of time, and may be offered in other languages such as Mandarin and Spanish in certain high-demand locations.
