

# BraindumpsPass NCP-EUC Web-Based Practice Tests

2026 Latest BraindumpsPass NCP-EUC PDF Dumps and NCP-EUC Exam Engine Free Share: <https://drive.google.com/open?id=1L1ILMtV8oV2ASQVtEKzIa9Mz0z2JoMinQ>

In order to provide a convenient study method for all people, our company has designed the online engine of the NCP-EUC study materials. The online engine is very convenient and suitable for all people to study, and you do not need to download and install any APP. We believe that the NCP-EUC study materials from our company will help all customers save a lot of installation troubles. You just need to have a browser on your device you can use our study materials. We can promise that the NCP-EUC Study Materials from our company will help you prepare for your exam well.

Nutanix Certified Professional - End-User Computing (NCP-EUC) exam is a comprehensive certification exam designed to test the knowledge and skills of IT professionals in the area of end-user computing. Nutanix Certified Professional - End User Computing (NCP-EUC) 6.10 Exam certification is offered by Nutanix, a leading provider of hyperconverged infrastructure solutions. The NCP-EUC exam is intended for IT professionals who specialize in the deployment, management, and maintenance of Nutanix end-user computing solutions.

The NCP-EUC exam is designed to test the candidate's understanding of Nutanix's end-user computing technologies, including desktop virtualization, application delivery, and endpoint management. NCP-EUC Exam covers a range of topics, including Nutanix architecture and deployment, virtual desktop infrastructure (VDI) deployment, application delivery and management, and endpoint security. Successful candidates will be able to demonstrate their ability to design, deploy, and manage Nutanix-based end-user computing solutions, and will be recognized as experts in the field.

## Practice NCP-EUC Exams - Reliable NCP-EUC Test Cost

Stop wasting time on meaningless things. There are a lot wonderful things waiting for you to do. You still have the opportunities to become successful and wealthy. The NCP-EUC study materials is a kind of intelligent learning assistant, which is capable of aiding you pass the NCP-EUC Exam easily. If you are preparing the exam, you will save a lot of troubles with the guidance of our NCP-EUC study materials. Our company is aimed at relieving your pressure from heavy study load. So we strongly advise you to have a try.

### Nutanix Certified Professional - End User Computing (NCP-EUC) 6.10 Exam Sample Questions (Q142-Q147):

#### NEW QUESTION # 142

After receiving multiple complaints from VMware Horizon-based virtual desktop users about their slower logon and application load times, an administrator performed troubleshooting on the issue to optimize the environment. The following discoveries were made on the Nutanix cluster:

- A. 4% average CPU Ready time
- **B. Failed to create Native clone errors.**
- C. Host power Policy set to High Performance
- D. 75% average memory utilization

**Answer: B**

Explanation:

one of the possible causes of slower logon and application load times for VMware Horizon-based virtual desktop users is Failed to create Native clone errors. This error occurs when there is a problem with cloning virtual machines using Nutanix Native Clones technology. To troubleshoot this issue, you can check the following:

The Nutanix cluster has enough free space to create clones

The Nutanix cluster has enough CPU and memory resources to handle cloning operations The Nutanix cluster is running a compatible version of AOS and AHV with VMware Horizon The VMware Horizon environment is configured correctly to use Nutanix Native Clones The VMware Horizon agent is installed and updated on the master image

#### NEW QUESTION # 143

Which display protocol developed by Omnisia Horizon supports both TCP and UDP to be adaptive to network conditions?

- A. PCoIP
- B. Citrix HDX
- C. Microsoft RDP
- **D. Blast Extreme**

**Answer: D**

Explanation:

Blast Extreme is the proprietary display protocol developed by Omnisia (formerly VMware) for Horizon.

A key feature of Blast Extreme is its use of Adaptive Transport. This technology allows the protocol to dynamically switch between UDP (for high performance and lossy networks) and TCP (as a fallback for reliability) based on real-time network conditions. This adaptability ensures the best possible user experience regardless of bandwidth or latency constraints. (PCoIP primarily relies on UDP, and RDP is traditionally TCP- heavy, while HDX is a Citrix protocol).

#### NEW QUESTION # 144

Refer the exhibit.

Which statement is true?

- A. Five instances are running on every Weekday from 09:00am till 05:00 pm
- **B. Five instances are running Tuesday and Thursday from 00:00am till 24:00 pm**
- C. Five instances are running on every Weekday fro, 00:00am till 24:00 pm
- D. Five instances are running Tuesday and Thursday from 09:00 am till 05:00 pm

**Answer: B**

Explanation:

The schedule has two rows: one for Weekdays and one for Tuesday and Thursday.

Each row has a column for Instances, which indicates how many instances should be running during that time range.

Each row also has a column for Time Range, which indicates the start and end time for running the instances.

The time range is expressed in 24-hour format, where 00:00 means midnight and 24:00 means midnight of the next day.

According to the exhibit, the schedule Dev has the following settings:

On Weekdays (Monday to Friday), five instances are running from 09:00 am till 05:00 pm.

On Tuesday and Thursday, five instances are running from 00:00 am till 24:00 pm.

#### NEW QUESTION # 145

A multisite App Volumes deployment uses a stretched database over multiple Horizon View sites.

Non-Attachable volumes will be used to support replication of AppStacks between blocks and pods.

What should the administrator do to be able to replicate AppStacks between the Nutanix clusters?

- A. Leverage an external storage system such as NFS NAS to support the non-attachable
- B. Replicate the .vmdk files and AppStacks permissions using a script between the Nutanix clusters,
- C. storage container on the primary cluster to at least one host in other Nutanix clusters,
- **D. Utilize the native async disaster recovery technology to replicate the AppStacks between the Nutanix clusters.**

**Answer: D**

Explanation:

regarding replicating AppStacks between Nutanix clusters, it is likely that the correct answer would involve configuring some form of replication or disaster recovery technology on the Nutanix clusters themselves.

#### NEW QUESTION # 146

A company has deployed Horizon on a Nutanix cluster running the ESXi hypervisor. They are starting the configuration for the deployment of 1000 virtual desktops running Windows 10 in a Linked Clone Desktop Pool.

The company has these requirements:

- \* Reduced time for initial virtual desktop deployment
- \* Fast recompose time when updating the pool with patches and new application installs
- \* Provide a high level of availability to the pool

What should the company enable, that will allow this Nutanix VDI implementation to meet the stated requirements?

- A. Separate datastores for replicas and clones
- **B. View Composer API for Array Integration**
- C. VM disk space reclamation
- D. View Storage Accelerator

**Answer: B**

Explanation:

View Composer API for Array Integration (VCAI) is a feature of VMware Horizon that leverages the native cloning abilities in the storage array to offload storage operations within a VMware View environment<sup>12</sup>. This feature allows customers to offload the creation of linked clones to the storage array<sup>3</sup>.

#### NEW QUESTION # 147

.....

Compared with products from other companies, our NCP-EUC practice materials are responsible in every aspect. After your

purchase of our NCP-EUC exam braindumps, the after sales services are considerate as well. We have considerate after sales services with genial staff. They are willing to solve the problems of our NCP-EUC training guide 24/7 all the time. If you have any question that you don't understand, just contact us and we will give you the most professional advice immediately.
