## PRINCE2 Practitioner Exam Sample Questions (Q247-Q252):

### NEW QUESTION # 247

At the end of stage 2, the specialist 'e-learning course' supplier will be selected. As a result, it is decided that the quality management approach will not be created until the end of stage 2, to take into account this supplier's standards and techniques. Is this appropriate, and why?

- A. Yes, because the product description for each product will define the required quality approach within each stage.
- B. No, because the quality management approach should be limited to ABC Company's quality standards.
- C. No, because the quality management approach should be created during the initiation stage and updated later.
- D. Yes, because the quality management approach should take into account the supplier's standards, tools and techniques.

**Answer: D**

### NEW QUESTION # 248

Which of the following statements is FALSE regarding the Continued Business Justification?

- A. The justification for the project must remain the same throughout the project.
- B. If the project is no longer justified it should be stopped.
- C. The justification for the project may change.
- D. The justification for the project should remain valid.

**Answer: D**

### NEW QUESTION # 249

Scenario

A photographer from Portraits Ltd, a professional photographic company, has taken on the role of Team Manager after taking some time to understand the requirements of the project. A contract for their services has been set up and is being monitored by the Purchasing Manager and a Work Package has been agreed. This contract specifies that the photographer must arrange a meeting with the Engineering Manager to establish a schedule for the photo sessions to minimize the impact on the Engineering staff. This meeting should have occurred by now.

The Engineering Manager was made aware of this requirement but when asked he reported that he has received no communication from the photographer. The Project Manager has tried to call the photographer and has had no response. The Project Manager believes there is a risk that Portraits Ltd are overbooking work and prioritizing other clients' work. If Portraits Ltd do not deliver on schedule the project will be delayed and the expected benefits will be reduced.

The contract is to be reviewed and Portraits Ltd reminded of their agreement.

The project is now in stage 2. The Project Manager has heard about the possibility of a competitor also producing a calendar to be delivered earlier than the target date for this project. There is a threat that the early release of a competitor's calendar may weaken the impact of the MNO Manufacturing Company calendar, thereby reducing the anticipated benefits of the Calendar project.

Which 2 statements should be recorded under the Roles and responsibilities heading?

- A. Project Assurance will ensure that project risks are identified, assessed and controlled according to the agreed risk management procedure.
- B. Risks exceeding the agreed project risk tolerance will be reported to the Project Board.
- C. Risk tolerances are allocated to each stage by the Project Manager.
- D. An external consultant is to facilitate a risk identification workshop.
- E. Each risk will be assigned a risk owner.

**Answer: A,B**

### NEW QUESTION # 250

- A. Continued business justification
- B. Tailor to suit the project environment
- C. Manage by stages

- D. Focus on products

**Answer: D**

### NEW QUESTION # 251

Project Scenario - Health and Safety Training Project:

ABC Company is a well-established training company that uses a standard model to develop training materials and deliver courses to customers.

ABC Company has commissioned a project in response to recent changes in government legislation relating to health and safety on construction sites. The project will deliver "capability to provide health and safety training", including the materials needed for classroom-based training and e-learning. The expected benefits for construction companies include a reduction in lost days and legal costs due to accidents.

The e-learning course will be developed by a specialist external consultancy. The materials for classroom-based training will be delivered by ABC Company's development team. All course materials will be piloted before they are used. ABC Company will deliver training to its customers and also hopes to sell the course materials to other training companies as part of their operational business. ABC Company will use their own sales and marketing departments to promote the courses.

The legislation requires construction companies to comply with the new legislation within two years. The course materials and trainers have to be accredited by a government agency before courses can be delivered.

ABC Company is planning to deliver pilot courses within five months of starting the project.

The ABC Company standard development model for new courses recommends the following stages:

□ End of the Project scenario.

Additional Information:

The Chief Executive Officer (CEO) founded the company five years ago. Under her leadership, ABC Company has grown quickly into a successful training company. It delivers a range of accredited professional training.

The Finance Director is also a founder member of ABC Company and is responsible for authorizing budgets for the Operations and Development Teams. She authorizes all large contracts personally.

The Purchasing Manager reports to the Finance Director and is responsible for managing and monitoring supplier contracts.

The Operations Director is responsible for the delivery of all training and for the training development budget. His department organizes courses, venues and trainers. They work with the Product and the Sales teams to provide a comprehensive training schedule. ABC Company's IT manager reports to the Operations Director.

The Business Development Director has recently been appointed to identify new training needs and propose new products. She will work with the Operations Director to ensure a cost-conscious approach and that appropriate development technologies are used for the health and safety course.

The Training Development Manager reports to the Business Development Director and is responsible for developing training materials and gaining accreditation, in accordance with the standard course development model. Course developers in his team have skills in a range of development technologies and are allocated to projects as needed.

The Training Delivery Manager, who reports to the Operations Director, is responsible for ensuring that internal and external trainers deliver ABC Company training courses to the required standard. He also checks course materials to ensure they are fit for purpose and of the required quality.

The Central Services Director has responsibility for corporate communications, facilities management and configuration management. He recently led a project to consolidate all company quality systems into one quality management system and set up a corporate quality department, now managed by the Corporate Quality Manager.

The Corporate Document Manager reports to the Central Services Director. She helped establish the company's document management system and now operates it across the business. She manages a team of administrators and contracts staff when workload is high.

The Sales Director joined ABC Company two months ago and is keen to establish himself by suggesting new markets for the courses and material. All account managers and the marketing team report to him. They promote existing training courses to other training companies and existing customers.

End of the additional information.
