Additional Information Product Description

Quality notes from the Daily Log

The Director of Information Technology Division (DIT) has been asked to ensure that any changes to the outsourced staff employment contracts adhere to employment law. The DIT will review future job descriptions of the transferred staff before the final contract is signed with the selected service provider.

The service level agreement between MFH and the selected service provider will specify the type and quality of service required. The selected service provider must follow the industry standards for providing outsourced services.

MFH has a quality management system which contains a document control procedure for all its documentation, however this does not include change management.

All project documents will be subject to a quality review. Nominated products will require a formal approval record signed-off by the quality review chair.

## NEW QUESTION # 158

Scenario

### Product Summary

A list of customers will be collated. This will use existing information from the Accounts department about current customers, and existing information from the Marketing department about prospective customers.

Using the tariff of mailing costs available from the Post Office, a production cost forecast will be produced to allow the CEO and the Marketing Director to decide whether to continue with the project. If they decide to continue, they will give the approval to launch the internal label design competition. Competition rules will be required to communicate details of the competition to the staff. The chosen label design will then be selected from the competition entries.

The photos for the calendar must be based on existing photo design ideas available from the Marketing department. The selected photos will be chosen from these. Monthly calendar displays will be created to show the required layout of each page.

### Product Breakdown Structure (contains errors)

Extract from Stage Plan for stage 3.

(All entries are true statements but may not be shown under the correct heading or in the correct document).

Using the Project Scenario and the Extract from Stage Plan for stage 3 provided as additional intonation for this question in the Scenario Booklet, answer the following 5 questions.

The Stage Plan for stage 3 has been produced.

The Engineering Manager insists that there are to be no interruptions to operations whilst photographs are being taken of the engineering staff performing their everyday duties and operating machinery. Two weeks ago the professional photographer produced the photo session schedule based on the operational staff schedule. The operational staff schedule is produced weekly and maintained by the Engineering Manager.

None of the £500 change budget has been used to date and this is available for the stage.

Which 2 statements apply to the Plan prerequisites section?

- A. Add 'Engineering team must be made available for photos'.
- B. Delete entry 4 because the customer list is a deliverable of stage 2, not a prerequisite for stage 3.
