In addition P3O-Foundation Exam Materials are high quality and accuracy, and they can improve your efficiency. We are pass guarantee and money back guarantee for P3O-Foundation exam dumps, if you fail to pass the exam, we will give you full refund.

## PRINCE2 P3O Foundation Project Office2013 Exam Sample Questions (Q57-Q62):

### NEW QUESTION # 57

Who, as a minimum, should review the resourcing of a Programme Office whilst it is running?

- A. P3O Sponsor and Portfolio Analyst
- B. Head of COE and Programme Specialist
- C. Head of P3O and P3O Sponsor
- D. Head of Programme Office and Programme Manager of the relevant programme

**Answer: D**

Explanation:

The minimum review of a Programme Office's resourcing during operation involves the Head of Programme Office and the relevant

Programme Manager, according to the P3O Foundation (2013) manual. Section 3.5.4 states, "The Head of Programme Office, in collaboration with the Programme Manager, is responsible for reviewing and adjusting resource allocation during the programme lifecycle." This ensures operational oversight and alignment with programme needs. Involving the Head of P3O and Sponsor (A), P3O Sponsor and Portfolio Analyst (C), or Head of COE and Programme Specialist (D) exceeds the minimum requirement, as their roles are more strategic or supportive. The 2013 guidance emphasizes this direct accountability to maintain efficiency and responsiveness in resource management. Reference: P3O Foundation (2013) manual, Section 3.5.4, AXELOS.

#### NEW QUESTION # 58

Which describes the focus of a Portfolio Office in relation to programmes?

- A. Implements a programme correctly
- B. Defines the standards to be followed by a programme
- C. Provides support to a programme
- **D. Ensures that investment is made in the right programmes**

**Answer: D**

Explanation:

The P3O Foundation (2013) manual describes the Portfolio Office's focus as ensuring investment in the right programmes. Section 5.3.2 states, "The Portfolio Office focuses on ensuring that investment is directed toward the right programmes by aligning them with strategic objectives and optimizing the portfolio." This differs from implementation (A), programme support (B), or standard definition (C), which are programme or COE roles. The 2013 edition emphasizes this strategic investment role to maximize value, supporting P3O's governance function. This ensures resource allocation aligns with organizational priorities. Reference: P3O Foundation (2013) manual, Section 5.3.2, AXELOS.

#### NEW QUESTION # 59

Which is NOT an objective of a programme?

- A. Coordinate related projects and activities
- **B. Deliver business products according to a Business Case**
- C. Align to strategic objectives
- D. Deliver outcomes and benefits

**Answer: B**

Explanation:

The P3O Foundation (2013) manual states that delivering business products according to a Business Case is not a programme objective. Section 2.1.1 notes, "Programme objectives include coordinating related projects and activities, delivering outcomes and benefits, and aligning with strategic objectives," while product delivery is a project-level task. This distinguishes programmes (A, C, D) from projects (B). The 2013 edition clarifies that programmes focus on outcomes, not specific deliverables, aligning with P3O's strategic oversight. This ensures clarity in role definitions within the change hierarchy. Reference: P3O Foundation (2013) manual, Section 2.1.1, AXELOS.

#### NEW QUESTION # 60

What are risk identification and risk assessment workshops typically used for?

- A. Brainstorm objectives for a project
- **B. Identify threats as part of project initiation**
- C. Define measures in a Benefit Profile
- D. Define the relative priority of each investment objective

**Answer: B**

Explanation:

Risk identification and assessment workshops are typically used to identify threats during project initiation, according to the P3O Foundation (2013) manual. Section 6.3.3 states, "These workshops are conducted during project initiation to identify and assess potential threats and opportunities, forming the basis of the risk management plan." This contrasts with defining investment priorities

(A), brainstorming objectives (C), or defining benefit measures (D), which serve different purposes. The 2013 edition highlights their role in early risk management, supporting P3O's governance function by ensuring proactive threat mitigation. This process enhances project success by addressing risks at the outset.

Reference: P3O Foundation (2013) manual, Section 6.3.3, AXELOS.

#### NEW QUESTION # 61

What question regarding business change governance support and enablement relates to 'business change design'?

- A. Are we doing the right things?
- B. Are we getting the business benefits?
- C. Are we doing things the right way?
- D. Are we getting things done well?

**Answer: A**

Explanation:

The question "Are we doing the right things?" relates to business change design, per the P3O Foundation (2013) manual. Section 2.2.2 states, "Business change design addresses the question 'Are we doing the right things?' by ensuring initiatives align with strategic objectives." This differs from benefits realization (A), efficiency (C), or process correctness (D), which address other governance aspects. The 2013 edition links this question to the P3O's role in validating strategic alignment, a key design phase concern. This ensures change initiatives are prioritized correctly, supporting effective governance.

Reference: P3O Foundation (2013) manual, Section 2.2.2, AXELOS.

#### NEW QUESTION # 62

.....

I would like to find a different job, because I am tired of my job and present life. Do you have that idea? How to get a better job? Are you interested in IT industry?
