The second format of Fortinet FCP_FWF_AD-7.4 exam preparation material is the web-based FCP - Secure Wireless LAN 7.4 Administrator (FCP_FWF_AD-7.4) practice test. It is useful for the ones who prefer to study online. Test4Engine have made this format so that users don't face the hassles of installing software while preparing for the FCP - Secure Wireless LAN 7.4 Administrator (FCP_FWF_AD-7.4) certification. The customizable feature of this format allows you to adjust the settings of FCP - Secure Wireless LAN 7.4 Administrator (FCP_FWF_AD-7.4) practice exams.

Fortinet FCP_FWF_AD-7.4 Exam Syllabus Topics:

Topic	Details
Topic 1	Wireless network security and access: This section of the exam measures skills of security administrators and covers the design and deployment of secure wireless networks. It includes configuring wireless access controls, implementing VLANs, and using network access control (NAC) to segment and protect the wireless environment.
Topic 2	Wireless monitoring and protection: This section of the exam measures skills of network engineers and covers monitoring and managing wireless infrastructure. It focuses on identifying wireless threats, detecting malicious activities, and ensuring access point performance and stability. It also involves implementing guest services and location-based presence features.
Topic 3	Wireless fundamentals and FortiAP management: This section of the exam measures skills of network engineers and covers the foundational understanding of wireless technologies and standards. It includes knowledge of deploying FortiAP devices using the integrated FortiOS wireless controller and configuring them using custom access point profiles.
Topic 4	Wireless diagnostics and analytics: This section of the exam measures skills of security administrators and covers the tools and techniques used to diagnose and analyze wireless issues. It includes gathering information from clients and devices, troubleshooting common wireless problems, and reviewing logs and debug data to apply effective fixes.
