# Medical Professional Certified Case Manager Certification Exam (CCM) Sample Questions (Q106-Q111):

## NEW QUESTION # 106

In a drafted FIDIC Silver Book (edition 1999), the following sentence has been added to Sub-Clause 3.5:

"In case of an Instruction regarding a pending or proposed Variation, Contractor shall carry out any determination regardless of a possible notice of dissatisfaction." What GP(s) is/are breached?

- A. GP1 only
- B. GP1, GP2 and GP3
- C. GP1 and GP3
- D. GP3 only

**Answer: C**

Explanation:

This clause breaches Golden Principles (GP) 1 and 3:

GP1 promotes fairness and balanced risk allocation between parties. Forcing the Contractor to carry out determinations despite a notice of dissatisfaction undermines fair dispute resolution and contractual balance.

GP3 emphasizes the importance of clear and unambiguous contract drafting that reflects agreed procedures.

This sentence introduces ambiguity and overrides contractual rights to dispute determinations.

## NEW QUESTION # 107

Under the FIDIC Red Book (edition 2017), if the Contractor fails to comply with Site clearance obligation, what two options does the Employer have?

Choose all of the correct answers (multiple possibilities)

- A. The Employer is entitled to the cost of reinstating, clearing the Site and disposal cost to the extent they exceed the money received from selling the remaining Contractor ' s items on the Site.
- B. The Employer may sell or otherwise dispose any remaining items and reinstate the Site at the Contractor ' s Cost.
- C. The Engineer cannot sell or otherwise dispose any remaining items and reinstate the Site at the Contractor ' s Cost.
- D. The Employer cannot reinstate and clear the Site and dispose the remaining Contractor ' s items on the Site if the Contractor fails, as this is the Contractor ' s obligation.

**Answer: A,B**

Explanation:

\* Option A is correct: The Employer may sell or dispose of any items left by the Contractor and reinstate the Site, recovering costs from the Contractor.

\* Option C is correct: The Employer is entitled to recover costs for clearing, reinstatement, and disposal exceeding proceeds from sale.

\* Option B is incorrect; the Engineer does not hold this authority, but the Employer does under the contract.

\* Option D is incorrect; if the Contractor fails to clear the Site, the Employer may take action to protect the Site.

## NEW QUESTION # 108

Before applying the procurement process of any FIDIC Book, the Employer should always check if there are local procurement rules that also apply. Which one of these responses is correct?

- A. No, because the FIDIC procurement process is universal.
- B. No, because Employers never have specific procurement rules.
- C. Yes, based on the law system, internal governance or type of Employer additional procurement rules can apply.
- D. Yes, but this is only applicable for public entities like governments. If the Employer is a private organisation (like a

company), they are free to procure how they want.

**Answer: C**

Explanation:

Local procurement laws, regulations, and internal governance rules often apply in addition to or alongside FIDIC contract provisions. Employers, whether public or private, must comply with applicable national or sector-specific rules, which may affect procurement procedures, documentation, and contract award processes.

Option C is correct because procurement requirements depend on local legal systems, the nature of the Employer, and applicable governance.

Option A is incorrect as FIDIC contracts provide contractual frameworks but do not override local legal obligations.

Option B is incorrect because many Employers have procurement policies.

Option D is incorrect since private entities may also be subject to procurement laws or internal policies.

### NEW QUESTION # 109

A new important feature of the FIDIC Yellow and Silver Books (edition 2017) is the inclusion of the default position that the Works or relevant part of the Works designed by the Contractor shall be fit for their ordinary purposes. Is this statement true or false?

- A. False
- **B. True**

**Answer: B**

Explanation:

This statement is true. The FIDIC Yellow and Silver Books (2017 editions) include a clear provision that the Works, or the parts designed by the Contractor, must be fit for their ordinary purposes, reflecting the Contractor's responsibility for design and performance. This introduces an express fitness-for-purpose obligation, which was less explicit in earlier editions.

This provision clarifies risk allocation related to design liability, ensuring that the Contractor is accountable for the fitness of the designed works unless otherwise specified.

- C. ... is not a compulsory obligation, but "highly recommended".
- **D. ... is intended for written communications, in full compliance with the formal requirements outlined in the dedicated Sub-Clause.**

**Answer: A,D**

Explanation:

Option B is correct: Notices are compulsory when required and must reference the relevant Sub-Clause to be valid.

Option D is correct: Notices are formal written communications and must comply with the contract's prescribed procedures.

Option A is incorrect; notices are often mandatory, not merely recommended.

Option C is incorrect; notices are obligations for all Contract Participants, not just the Engineer.
