JN0-637 Latest Test Sample, Useful JN0-637 Dumps

Our product backend port system is powerful, so it can be implemented even when a lot of people browse our website can still let users quickly choose the most suitable for his JN0-637 learning materials, and quickly completed payment. It can be that the process is not delayed, so users can start their happy choice journey in time. Once the user finds the learning material that best suits them, only one click to add the JN0-637 learning material to their shopping cart, and then go to the payment page to complete the payment, our staff will quickly process user orders online.

Juniper Security, Professional (JNCIP-SEC) Sample Questions (Q12-Q17):

NEW QUESTION # 12

Referring to the exhibit, you are assigned the tenantSYS1 user credentials on an SRX series device. In this scenario, which two statements are correct? (Choose two.)

- A. When you log in to the device, you will be permitted to view all routing tables available on the on an SYS1 Series device.
- B. When you log in to the device, you will be located at the operational mode of the main system hierarchy.
- C. When you log in to the device, you will be permitted to view only the routing tables for the Tenant SYS1 logical system.
- D. When you log in to the device, you will be located at the operational mode of the Tenant.SYS1 logical system hierarchy.

Answer: C,D

NEW QUESTION # 13

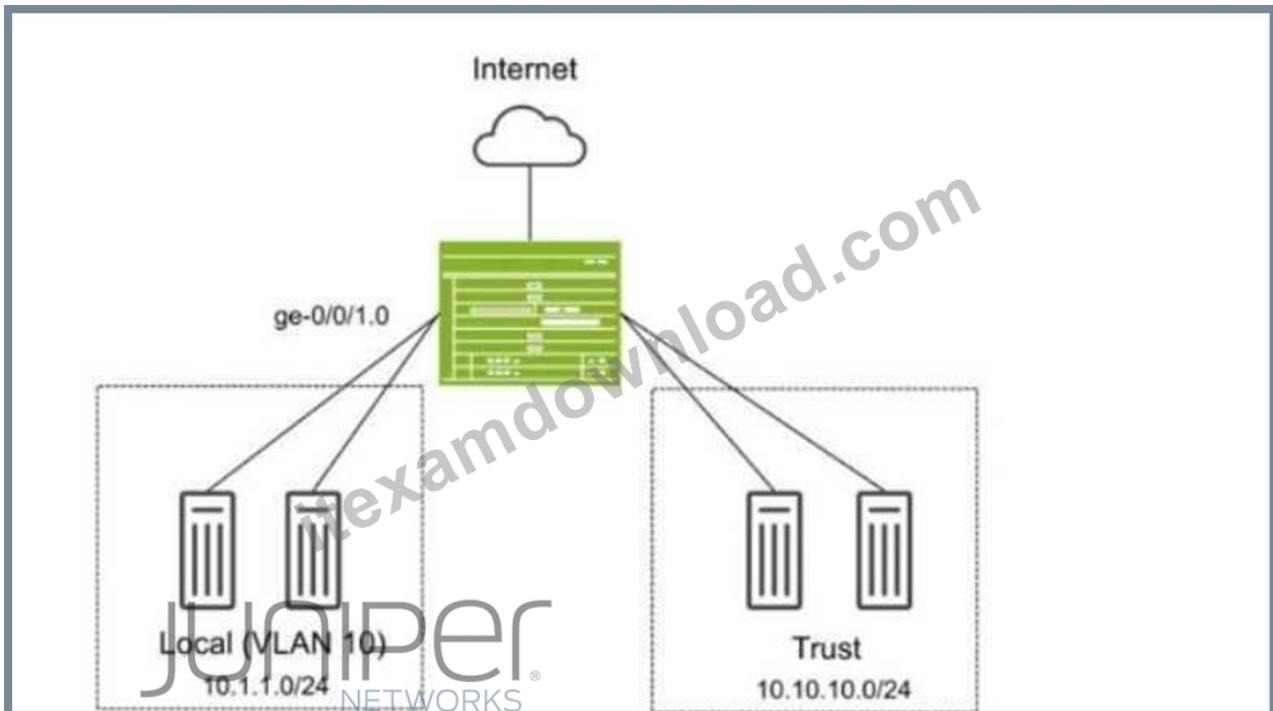

What are three attributes that APBR queries from the application system cache module. (Choose Three)

- A. service
- B. destination port
- C. DSCP
- D. TTL
- E. protocol type

Answer: A,B,E

NEW QUESTION # 14

Exhibit:

You have deployed an SRX Series device as shown in the exhibit. The devices in the Local zone have recently been added, but their SRX interfaces have not been configured. You must configure the SRX to meet the following requirements:

Devices in the 10.1.1.0/24 network can communicate with other devices in the same network but not with other networks or the SRX.

You must be able to apply security policies to traffic flows between devices in the Local zone.

Which three configuration elements will be required as part of your configuration? (Choose three.)

- A. set protocols l2-learning global-mode transparent-bridge
- B. set security zones security-zone Local interfaces ge-0/0/1.0
- C. set protocols l2-learning global-mode switching
- D. set interfaces ge-0/0/1 unit 0 family ethernet-switching vlan-members 10
- E. set security zones security-zone Local interfaces irb.10

Answer: A,B,D

Explanation:

In this scenario, we need to configure the SRX Series device so that devices in the Local zone (VLAN 10, 10.1.1.0/24 network) can communicate with each other but not with other networks or the SRX itself. Additionally, you must be able to apply security policies to traffic flows between the devices in the Local zone.

Which two statements are correct about the output shown in the exhibit? (Choose two.)

- A. The packet is silently discarded.
- **B. The packet is part of a new session.**
- C. The packet is part of an existing session.
- **D. The packet is explicitly rejected.**

Answer: B,D

NEW QUESTION # 16

Exhibit:

You are asked to ensure that Internet users can access the company's internal webserver using its FQDN. However, the internal DNS server's A record only points to the webserver's private address. Referring to the exhibit, which two actions are required to complete this task? (Choose two.)

- A. Disable the DNS ALG.
- B. Configure static NAT for both the DNS server and the webserver.
- C. Configure proxy ARP on ge-0/0/3.
- D. Configure destination NAT for both the DNS server and the webserver.

Answer: B,C

NEW QUESTION # 17

.....

The exercises and answers of our JN0-637 exam questions are designed by our experts to perfectly answer the puzzles you may encounter in preparing for the exam and save you valuable time. Take a look at JN0-637 preparation exam, and maybe you'll find that's exactly what you've always wanted. You can free download the demos which present a small part of the JN0-637 Learning Engine, and have a look at the good quality of it.
