## PRINCE2 7 Foundation written Exam Sample Questions (Q195-Q200):

### NEW QUESTION # 195

The project board needs to review whether the investment remains justified as the project progresses according to plan. Which principle is being applied by the 'business case' practice when the project board undertakes this review?

- A. Focus on products

- B. Manage by exception
- **C. Manage by stages**
- D. Tailor to suit the project

**Answer: C**

Explanation:

When the project board reviews whether the investment remains justified as the project progresses, this application of the 'manage by stages' principle is evident. This principle ensures that at the end of each stage, the project board reassesses the business case and the viability of the project before deciding to continue with the next stage.
