BCS Foundation Certificate in Business Analysis V4.0 Sample Questions

(Q53-Q58):

NEW QUESTION # 53
During which stage of the Business Analysis Process Model would a gap analysis be carried out?

- A. Define requirements.
- B. Evaluate the options.
- C. Analyse needs.
- D. Investigate situation.

Answer: C

NEW QUESTION # 54
Which of the following BEST describes the cause of a bottleneck in a business process?

- A. A mismatch between the capacities of related process steps
- B. An unnecessary step or steps in a sequence of process steps.
- C. A step where one actor passes the process to another actor.
- D. A number of related steps that are carried out by different actors.

Answer: A

NEW QUESTION # 55
What does vertical traceability trace?

- A. The requirement from inception to delivery
- B. The requirement in the requirements hierarchy
- C. The development and implementation of the requirement
- D. Where a requirement originated

Answer: B

Explanation:
Traceability links requirements to other project artefacts. There are two main types: horizontal and vertical. Horizontal traceability (Option A) links a requirement forward to its design, code, and test cases, and backward to its source (Option D), tracing its lifecycle from inception to delivery. Vertical traceability concerns tracing a requirement up or down the requirements hierarchy (C). This ensures that lower-level requirements (e.g., functional) are aligned with and fully support the higher-level business objectives, policies, and strategy. For example, it traces a solution requirement up to the business requirement it satisfies, validating that every low-level detail is necessary and justified by a high-level business need.
(Reference: BCS Requirements Engineering - Requirements Traceability)

NEW QUESTION # 56
Which of the following would BEST be managed with the keep satisfied" stakeholder management strategy?"

- A. Those with high power/influence and some interest in the project.
- B. Those with some power/influence and high interest in the project.
- C. Those with high power/influence and no interest in the project.
- D. Those with some power/influence and some interest in the project.

Answer: A
