

# Snowflake ADA-C02 Latest Test Camp | Exam ADA-C02 Prep

All contents of the ADA-C02 exam questions are masterpieces from experts who imparted essence of the exam into our ADA-C02 study prep. So our high quality and high efficiency ADA-C02 practice materials conciliate wide acceptance around the world. By incubating all useful content ADA-C02 training engine get passing rate from former exam candidates of 98 which evince our accuracy rate and proficiency.

The free demo Snowflake ADA-C02 exam questions are available for instant download. Download the Snowflake Certification Exams dumps demo free of cost and explores the top features of SnowPro Advanced Administrator ADA-C02 (ADA-C02) exam questions and if you feel that the ADA-C02 exam questions can be helpful in Snowflake ADA-C02 exam preparation then take your buying decision. Best of luck!!!

## ADA-C02 Dumps Torrent: SnowPro Advanced Administrator ADA-C02 & ADA-C02 Exam Bootcamp

For the quick and complete ADA-C02 exam preparation the SurePassExams ADA-C02 practice test questions are the ideal selection. With the Snowflake ADA-C02 PDF Questions and practice test software, you will get everything that you need to learn, prepare and pass the difficult Snowflake ADA-C02 Exam with good scores.

## Snowflake SnowPro Advanced Administrator ADA-C02 Sample Questions (Q24-Q29):

### NEW QUESTION # 24

When adding secure views to a share in Snowflake, which function is needed to authorize users from another account to access rows in a base table?

- A. CURRENT ROLE
- **B. CURRENT ACCOUNT**
- C. CURRENT CLIENT
- D. CURRENT USER

**Answer: B**

Explanation:

When building secure views for data sharing, the CURRENT\_ACCOUNT function is used to identify and authorize the consuming account. This ensures that row-level security can be enforced per consumer account accessing the shared data.

### NEW QUESTION # 25

When does auto-suspend occur for a multi-cluster virtual warehouse?

- A. When the minimum number of clusters is running and there is no activity for the specified period of time.
- B. When there has been no activity on any cluster for the specified period of time.
- C. After a specified period of time when an additional cluster has started on the maximum number of clusters specified for a warehouse.
- D. Auto-suspend does not apply for multi-cluster warehouses.

**Answer: A**

Explanation:

For a multi-cluster virtual warehouse, auto-suspend only triggers when the minimum number of clusters is running and there has been no activity for the specified period. Additional clusters above the minimum scale back down automatically, but suspension of the entire warehouse occurs only when the base minimum is idle.

### NEW QUESTION # 26

A Snowflake Administrator needs to persist all virtual warehouse configurations for auditing and backups. Given a table already exists with the following schema:

Table Name: VWH\_META

Column 1: SNAPSHOT\_TIME TIMESTAMP\_NTZ

Column 2: CONFIG VARIANT

Which commands should be executed to persist the warehouse data at the time of execution in JSON format in the table VWH\_META?

- A. SHOW WAREHOUSES;  
INSERT INTO VWH\_META  
SELECT CURRENT\_TIMESTAMP(),  
FROM TABLE(RERESULT\_SCAN(LAST\_QUERY\_ID(1)));
- B. SHOW WAREHOUSES;  
INSERT INTO VWH\_META  
SELECT CURRENT\_TIMESTAMP(),  
OBJECT\_CONSTRUCT(\*)  
FROM TABLE(RERESULT\_SCAN(LAST\_QUERY\_ID()));
- C. SHOW WAREHOUSES;  
INSERT INTO VWH\_META  
SELECT CURRENT\_TIMESTAMP(), \*  
FROM TABLE(RERESULT\_SCAN(SELECT LAST\_QUERY\_ID(-1)));
- D. SHOW WAREHOUSES;  
INSERT INTO VWH\_META  
SELECT CURRENT\_TIMESTAMP(), \*  
FROM TABLE(RERESULT\_SCAN(LAST\_QUERY\_ID()));

**Answer: B**

Explanation:

To persist warehouse configurations in JSON format, the result set from SHOW WAREHOUSES must be captured and converted into a variant object. Using OBJECT\_CONSTRUCT(\*) with RESULT\_SCAN(LAST\_QUERY\_ID()) stores the full warehouse configuration snapshot as JSON in the CONFIG VARIANT column, along with the timestamp.

### NEW QUESTION # 27

A virtual warehouse report\_wh is configured with AUTO\_RESUME=TRUE and AUTO\_SUSPEND=300. A user has been granted the role accountant.

An application with the accountant role should use this warehouse to run financial reports, and should keep track of compute credits used by the warehouse.

What minimal privileges on the warehouse should be granted to the role to meet the requirements for the application? (Choose two.)

- A. OPERATE
- **B. MONITOR**
- C. OWNERSHIP
- **D. USAGE**
- E. MODIFY

**Answer: B,D**

Explanation:

USAGE privilege is required to run queries on the warehouse.

MONITOR privilege allows tracking and viewing compute credit usage for the warehouse.

### NEW QUESTION # 28

A Snowflake Administrator has a multi-cluster virtual warehouse and is using the Snowflake Business-Critical edition. The minimum number of clusters is set to 2 and the maximum number of clusters is set to 10. This configuration works well for the standard workload, rarely exceeding 5 running clusters. However, once a month the Administrator notes that there are a few complex long-running queries that are causing increased queue time and the warehouse reaches its maximum limit at 10 clusters.

Which solutions will address the issues happening once a month? (Choose two.)

- **A. Examine the complex queries and determine if they can be made more efficient using clustering keys or materialized views.**
- B. Use a task to increase the cluster size for the time period that the more complex queries are running and another task to reduce the size of the cluster once the complex queries complete.
- C. Increase the minimum number of clusters started in the multi-cluster configuration to 5.
- D. Increase the multi-cluster maximum to 20 or more clusters.
- **E. Have the group running the complex monthly queries use a separate appropriately-sized warehouse to support their workload.**

**Answer: A,E**

Explanation:

The best way to handle the once-a-month complex workload is to use a separate, appropriately-sized warehouse dedicated to that workload and to optimize the complex queries with techniques like clustering keys or materialized views. These approaches resolve queuing and performance issues without overspending on always running more clusters.

### NEW QUESTION # 29

.....

The ADA-C02 certificate is one of the popular IT certificates. Success in the ADA-C02 credential examination enables you to advance your career at a rapid pace. You become eligible for many high-paying jobs with the ADA-C02 certification. To pass the ADA-C02 test on your first sitting, you must choose reliable SnowPro Advanced Administrator ADA-C02 exam study material. Don't worry about ADA-C02 test preparation, because SurePassExams is offering ADA-C02 actual exam questions at an affordable price. Hundreds of IT aspirants have cracked the ADA-C02 examination by just preparing with our real test questions. If you also want to become a ADA-C02 certified without any anxiety, download Snowflake updated test questions and start preparing today. These real ADA-C02 Dumps come in desktop practice exam software, web-based practice test, and ADA-C02 PDF document. Below are specifications of these three formats.

**Exam ADA-C02 Prep:** <https://www.surepassexams.com/ADA-C02-exam-bootcamp.html>

The exam reference ADA-C02 book is the official study guide for the exam by Snowflake, And let go those opaque technicalities which are useless and hard to understand, which means whether you are newbie or experienced exam candidate of this area, you can use our ADA-C02 real questions with ease, And our ADA-C02 learning materials provide multiple functions and considerate services to help the learners have no inconveniences to use our product.

Managing System Policies, For simplicity of network administration, we can create group objects and allocate resource access rights to these objects, The exam reference ADA-C02 book is the official study guide for the exam by Snowflake.

**The Importance of Snowflake ADA-C02 Exam Success for Future Snowflake Growth with SurePassExams**

And let go those opaque technicalities which are useless and hard to understand, which means whether you are newbie or experienced exam candidate of this area, you can use our ADA-C02 Real Questions with ease.

And our ADA-C02 learning materials provide multiple functions and considerate services to help the learners have no inconveniences to use our product, Then all of your life, including money and position, will improve a lot.

All of our ADA-C02 dumps pdf is regularly updated and you can use different products to improve your preparation level.
