## Free PDF 2026 Zscaler ZDTA: Zscaler Digital Transformation Administrator –Valid Exam Experience

It is acknowledged that there are numerous ZDTA learning questions for candidates for the ZDTA exam, however, it is impossible for you to summarize all of the key points in so many materials by yourself. But since you have clicked into this website for ZDTA practice materials you need not to worry about that at all because our company is especially here for you to solve this problem. We have a lot of regular customers for a long-term cooperation now since they have understood how useful and effective our ZDTA Actual Exam is.

### Zscaler Digital Transformation Administrator Sample Questions (Q27-Q32):

#### NEW QUESTION # 27

Which Advanced Threat Protection feature restricts website access by geographic location?

- A. Botnet Protection
- B. Spyware Callback
- **C. Blocked Countries**
- D. Browser Exploits

**Answer: C**

Explanation:

The "Blocked Countries" feature in Advanced Threat Protection lets you restrict access to web destinations based on their geographic location, preventing connections to any sites hosted in the specified countries.

#### NEW QUESTION # 28

What is a ZIA Sublocation?

- A. The section of a corporate Location that sends traffic to a Subcloud
- B. Every one of the sections in a Corporate Location that use overlapping IP addresses
- **C. The section of a corporate Location used to separate traffic, like traffic from employees from guest traffic**
- D. A way to separate generic traffic from that coming from Client Connector

**Answer: C**

Explanation:

AZIA Sublocation is defined as a subsection of a corporate Location that is used to separate different types of traffic, such as traffic from employees versus guest traffic. This segmentation allows granular application of policies and better control over different user groups within the same corporate location. Sublocations help in organizing and managing traffic flows for better policy enforcement and reporting.

#### NEW QUESTION # 29

Which of the following DLP Notification methods can be used to forward a copy of the data that triggered the DLP policy to the auditor?

- A. Email Notification Template
- B. SMS Text Message via PagerDuty
- C. Zscaler Client Connector pop-up message
- D. NSS Log Forwarding to SIEM

**Answer: A**

Explanation:

The Email Notification Template is the built-in mechanism for forwarding a copy of the exact content that triggered a DLP rule to your designated auditor via email.

### NEW QUESTION # 30

What does the user risk score enable a user to do?

- A. Determine whether or not a user is authorized to view unencrypted data.
- B. Determine if a user has been compromised
- C. Compare the user risk score with other companies to evaluate users vs other companies.
- D. Configure stronger user-specific policies to monitor & control user-level risk exposure.

**Answer: D**

Explanation:

The user risk score enables organizations to configure stronger user-specific policies to monitor and control user-level risk exposure. This score reflects a user's risk posture based on behaviors and detected anomalies and helps in tailoring security policies to address individual risk levels.

While the score gives insight into user risk, it is primarily designed for adaptive policy enforcement rather than direct compromise detection or cross-company comparison. The study guide highlights that user risk scores drive policy adjustments to better secure user activity.

### NEW QUESTION # 31

Which of the following options will protect against Botnet activity using IPS and Yara type content analysis?

- A. Trojans
- B. Adware/Spyware Protection
- C. Command and Control Traffic
- D. Ransomware

**Answer: C**

Explanation:

Zscaler's IPS engine and Yara-style content signatures specifically detect and block botnet command and control traffic, stopping infected hosts from communicating with C2 servers.

### NEW QUESTION # 32

.....

Not only our ZDTA study guide has the advantage of high-quality, but also has reasonable prices that are accessible for every one of you. So it is incumbent upon us to support you. On the other side, we know the consumers are vulnerable for many exam candidates are susceptible to ads that boast about ZDTA skills their practice with low quality which may confuse exam candidates like you, so we are trying hard to promote our high quality ZDTA study guide to more people.
