Introduction to PRINCE2-Foundation: PRINCE2 Foundation Exam

PRINCE2 is one of a structured technique of project management and certification program for practitioners. It highlights the division of tasks into controlled and achievable steps. PRINCE2 Certification is appropriate for all project managers. This may be part of a formal job of project management or part of the day-to-day activity of project management. The accreditation by the Foundation is to certify that you have adequate knowledge and comprehension in various projects and circumstances to apply and customize a technique. The certification of your Foundation is but one component of a successful and efficient project manager. It is vital to guarantee that you do this in addition to investing in personal professional growth and broader training with real-life experience working on projects. As you know, certification plays an extremely important part in your economic, professional and other growth. You must be familiar with how you utilize HR, so that the chances of selecting your candidate are extremely high, it allows you to gain a position of prestige in the company. In addition, the company has confidence in the delivery of the projects when the applicants are certified.

NEW QUESTION # 445

In which product does a Project Manager define the time and cost tolerances for the work to be done by a Team Manager?

- A. Product Description
- **B. Work Package**
- C. Stage Plan
- D. Team Plan

Answer: B

NEW QUESTION # 446

Which of the following statements about stakeholders are true?

1. Someone who thinks they will be affected by a project is a stakeholder on that project.
2. Stakeholders may be internal or external to the corporate organization.

- **A. Both 1 and 2 are true**
- B. Only 2 is true
- C. Only 1 is true
- D. Neither 1 or 2 are true

Answer: A

Explanation:

Both statements about stakeholders are true in the context of PRINCE2. A stakeholder in a project includes anyone who thinks they will be affected by the project, which can include both supporters and those who may oppose the project. Additionally, stakeholders can be both internal and external to the organization that is undertaking the project. References: PRINCE2 Foundation official documentation and study materials.

Manager?

- A. Managing Product Delivery
- B. Directing a Project
- C. Starting up a Project
- D. Managing a Stage Boundary

Answer: A

NEW QUESTION # 449

Which TWO are objectives of the 'starting up a project' process?

1. To create a common view of How the required quality will be achieved
2. To give authority to initiate the project
3. To appoint the resources needed to do the work to initiate the project
4. To ensure that projects are initiated based on agreed acceptance criteria for the project product.

- A. 3 and 4
- B. 1 and 2
- C. 2 and 3
- D. 1 and 4

Answer: C

Explanation:

The objectives of the 'Starting up a Project' process in PRINCE2 include giving authority to initiate the project (ensuring there is a solid foundation before significant expenditure is committed), and appointing the resources needed to undertake the initiation phase of the project. This process sets the project up for success by confirming its scope, defining how it will be managed, and allocating the necessary resources.
