NEW QUESTION # 168

In an onboarding session, introductions to new stakeholders were made, new KPIs were collated, and desired use cases were discussed. Which step does the Customer Success Manager take next?

- A. Provide technical configuration for development
- B. Discuss new opportunities and new products to purchase
- C. Create a success plan to be reviewed with the customer at the next review meeting
- D. Document the session, stakeholder interests, and metrics for leadership

Answer: D

Explanation:

After an onboarding session, the next step for a Customer Success Manager is to document the session, including stakeholder interests and metrics, for leadership. This ensures that there is a record of what was discussed and agreed upon, which can be referenced in future interactions and strategy planning.
