Preparation Materials for CSSBB Exam

You can consolidate your knowledge of the scope tested in the CSSBB certification test if you use the following preparation materials and combine them with the courses below:

- **Certified Six Sigma Black Belt Handbook, Third Edition**

Such a handbook makes a perfect match with the study guide described above and is also dedicated to the ASQ CSSBB exam. Its authors are **Donald W. Benbow and T.M. Kubiak**. The members may benefit from a discounted price of \$101.50. In case you are a non-member of ASQ, then you will buy such material for \$145. This edition has been thoroughly reviewed and updated with the topics included in the exam syllabus. Therefore, you will learn about the Six Sigma principles as well as concepts and receive access to different exercises. You can view this handbook as an effective kit that will give you a practical perspective on how the DMAIC standards can be applied in a real organization. Besides, the book ends with 180 problems that cover each chapter included in the test syllabus in addition to another 150 questions very similar to the ones that you will find in the real exam.

- **ASQ CSSBB Study Guide**

This book was written by **Shawn Findlater & Mark Allen Durivage** and published in 2017. The ASQ members can buy it for an advantageous price of \$35. On the contrary, non-members will get this book if they pay \$50. This manual, particularly, was developed to help the candidates who want to take the CSSBB Certification Exam and succeed in it. All in all, the study guide is split into two sections. The first one includes 432 practice questions which are divided into nine other parts. The second section comprises 150 more practice items which are also elaborated into nine portions. With the help of these practice inquiries, you will consolidate your knowledge of the topics included in the BoK and help you get used to the test structure.

- **Certified Six Sigma Black Belt Certification Preparation**

A session like this is delivered in a face-to-face format. You can find it and register for it if you search the ID CSSBBPASQ. The only prerequisite that you need to comply with for such training is having an electronic, hand-held calculator. For example, if you have the TI-30Xa model, you are perfectly fine. To be eligible for this class, you will also have to pay the registration fee of \$2,119 in case you are an ASQ member. If you are not a member yet, then the price will be \$2,349. The course is organized for five days and it is split into nine sections during which you will learn how to define roles, analyze data, plan & organize your business processes, and measure your results.
