Salesforce Manufacturing Cloud Accredited Professional Sample Questions (Q12-Q17):

NEW QUESTION # 12

The warranty administrators on the global warranty team at Universal Containers (UC) want to specify the parts and labor codes covered under warranty for UC's products.

Which object should help the administrators achieve this?

- **A. Warranty Term Coverages** related list under **Warranty Terms**.
- B. Product Warranty Terms related list under **Warranty Terms**
- C. **Warranty Terms**.

Answer: A

NEW QUESTION # 13

What is a key first step for Manufacturing Cloud implementation?

- **A. Enable Manufacturing Cloud features in Setup.**
- B. Configure forecast regeneration settings.
- C. Enable Manufacturing Cloud permissions for users.

Answer: A

Explanation:

The first step for Manufacturing Cloud implementation is to enable Manufacturing Cloud features in Setup. This step allows you to access the Manufacturing Cloud objects, fields, tabs, and components in your org. You can enable Manufacturing Cloud features for Sales, Service, or both, depending on your business needs. To enable Manufacturing Cloud features, you need to have the Customize Application permission and the Manufacturing Cloud license assigned to you. References: Enable Manufacturing Cloud Features

NEW QUESTION # 14

Which object is required to create a Sales agreement?

- A. Contract
- B. B)
- C. Order
- D. Quote
- **E. Account**

Answer: E

Explanation:

A sales agreement is a long-term agreement between a buyer and a seller to negotiate price and volume of products. To create a sales agreement in Salesforce Manufacturing Cloud, you need to have an account object that represents the buyer. The account object stores the information about the customer, such as name, address, contact, industry, and so on. You can also associate a contact object with the account to specify the person who is responsible for the sales agreement. Other objects that are related to the sales agreement are sales agreement product, sales agreement product schedule, sales agreement line item, and sales agreement forecast. NEW QUESTION # 15

At universal containers some Manufacturing cloud users have 'Delete sales agreement' profile permission.

Which two statements are correct about that permission and the entitled users ability to delete sales agreements?

- A. Only non-active sales agreements can be deleted
- **B. Sales agreements with any status can be deleted**
- C. Only sales agreements with no associated products can be deleted
- **D. Only these user will see the 'Delete' option on the sales agreement record header**
- E. Account owners will see the 'Delete' option on the sales agreements record header

Answer: B,D

Explanation:

According to the Salesforce Manufacturing Cloud documentation, the 'Delete sales agreement' profile permission allows users to delete an active, approved, canceled, or expired sales agreement. However, they can only delete a sales agreement if it doesn't have any active orders associated with it. Only users with this permission will see the 'Delete' option on the sales agreement record header. Account owners or other users without this permission will not see the 'Delete' option. The status of the sales agreement does not affect the ability to delete it, as long as there are no active orders. References: 1: Delete a Sales Agreement - Salesforce

NEW QUESTION # 16

Which three actions are available when using the mass update multiple values of a single metric of a sales agreement terms tab?

- A. Multiple by
- B. Decrease by
- C. Update with
- D. Increase by
- E. Replace with

Answer: B,D,E

Explanation:

When using the mass update multiple values of a single metric of a sales agreement terms tab, the three actions that are available are: replace with, decrease by, and increase by. These actions allow the user to update the values of a metric across multiple periods and products in a sales agreement. For example, the user can replace the forecasted quantity of a product with a new value, or increase the discount percentage of a product by a certain amount. The other options, update with and multiply by, are not valid actions for mass update. References: Mass Update Account Forecast Action, Update Multiple Values in Advanced Account Forecasts
