Explanation
Core Values - Scaled Agile Framework
According to the SAFe Agilist 6.0 domain of SAFe Core Values, alignment is one of the four core values that represent the foundational beliefs that are key to SAFe's effectiveness1. Alignment includes the following practices:
Communicate the vision, mission, and strategy
Connect strategy to execution
Speak with a common language
Constantly check for understanding
Understand your customer
Establish flow
Enable decentralized decision-making

NEW QUESTION # 33
During the PI Planning event, when are planning adjustments agreed upon?

- A. During breakout sessions
- B. During the management review and problem-solving meeting
- C. During the draft plan review
- D. During the Coach Sync

Answer: B

Explanation:
Planning adjustments are agreed upon during the management review and problem-solving meeting in the PI planning event. The management review and problem-solving meeting is a session that occurs at the end of day one of the PI planning event. In this session, the management team reviews the draft plans of all the teams in the ART, identifies any issues or risks that need to be resolved, and proposes any changes or adjustments that are necessary to achieve the program objectives. The management team then communicates their feedback and recommendations to the teams on day two of the PI planning event. References: PI Planning, Management Review and Problem-Solving

NEW QUESTION # 34
What is one example of differentiating business objectives?

- A. Strategic Themes
- B. Solution Intent
- C. Enterprise Goals
- D. Portfolio Vision

Answer: A

Explanation:
Strategic themes are an example of differentiating business objectives. Strategic themes are specific, itemized business objectives that connect a portfolio to the enterprise strategy. Strategic themes provide guidance and direction for portfolio vision, budget allocation, value stream identification, epic prioritization, and metric definition. Strategic themes help differentiate a portfolio from its competitors and create a unique value proposition for its customers. References: SAFe Portfolio, Strategic Themes
