- A. Add a permission set that allows them to import data.
- B. Use the Data Import Tool to mass import custom object records.
- **C. Reset their password and their security token.**
- D. Append their security token at the end of their password to login.

Answer: C

NEW QUESTION # 235

Ursa Major Solar offers amazing experiences for all of its employees. The Employee engagement committee wants to post updates while restricting other employees from posting.

What should the administrator create to meet this request?

- **A. Chatter Broadcast Group**
- B. Chatter Stream
- C. Chatter Unlisted Group
- D. Chatter Recommendations.

Answer: A

Explanation:

Explanation

Chatter broadcast group is a type of group that should be created to meet this request. Chatter broadcast group is a group where only group owners and managers can create posts, but anyone can comment on posts. This can be useful for sharing important updates or announcements with a large audience without cluttering the feed with other posts.

NEW QUESTION # 236

Ursa Major Solar has its business hours set from 9:00 AM to 5:00 PM for the reps that are on Pacific time. The reps on Eastern Time need business hours set to start 3 hours earlier to cover for support.

How should an administrator solve for this issue?

- **A. Create one set of business hours per time zone.**
- B. Adjust the current business hours to accommodate the Eastern Time Zone.
- C. Allow the reps to set business hours manually.
- D. Set temporary business hours for each time zone.

Answer: A

Explanation:

Explanation

Business hours are used to specify the days and hours when your company's employees work. You can create multiple sets of business hours for different time zones or regions and assign them to users based on their location or function. To meet the requirement of having different business hours for reps on Pacific time and Eastern time, you need to create one set of business hours per time zone and assign them accordingly.
