

# 2V0-32.24 Certification Dumps & Valid 2V0-32.24 Mock Exam

BONUS!!! Download part of Prep4pass 2V0-32.24 dumps for free: [https://drive.google.com/open?id=1FEwz6kXhKL5YD1t0OR5-b\\_Jm94bReKIl](https://drive.google.com/open?id=1FEwz6kXhKL5YD1t0OR5-b_Jm94bReKIl)

Do you often envy the colleagues around you can successfully move to a larger company to achieve the value of life? Are you often wondering why your classmate, who has scores similar to yours, can receive a large company offer after graduation and you are rejected? In fact, what you lack is not hard work nor luck, but 2V0-32.24 Guide question. With 2V0-32.24 question torrent, you will suddenly find the joy of learning and you will pass the professional qualification exam very easily.

## VMware 2V0-32.24 Exam Syllabus Topics:

Topic	Details
Topic 1	<ul style="list-style-type: none"><li>VMware Products and Solutions: This section of the exam measures the skills of Cloud Engineers and covers the components, integrations, and use cases for various VMware Cloud Management solutions. It includes tools like vRealize True Visibility Suite, Skyline, Federated Analytics, vRealize AI Cloud, and Log Insight Cloud. Candidates also explore deployment tools such as Remote Collectors and Cloud Proxies to understand their role in scalable cloud operations.</li></ul>
Topic 2	<ul style="list-style-type: none"><li>Architecture and Technologies: This section of the exam measures the skills of Cloud Architects and covers the core differences between VMware Cloud Management offerings, focusing on SaaS versus on-premises deployments. It introduces the capabilities of vRealize Suite Lifecycle Manager, vRealize Operations, and vRealize Log Insight, helping professionals understand the foundational technologies that support VMware's cloud ecosystem.</li></ul>
Topic 3	<ul style="list-style-type: none"><li>Administrative and Operational Tasks: This section of the exam measures skills of Cloud Administrators and covers daily operational tasks such as content and environment management in vRealize Suite Lifecycle Manager. It also includes managing licensing, alert systems, dashboards, metrics, cost assessments, capacity optimization, workload planning, and system monitoring. Additionally, it explores access control, patching, and retention settings in vRealize Log Insight, ensuring ongoing operational excellence across VMware tools.</li></ul>

Topic 4	<ul style="list-style-type: none"> <li>Performance-tuning, Optimization, and Upgrades: This section has no testable objectives and therefore is not directly assessed in the exam.</li> </ul>
Topic 5	<ul style="list-style-type: none"> <li>Planning and Designing: This section of the exam measures the skills of Cloud Architects and covers the architectural models and sizing requirements for vRealize Operations and vRealize Log Insight. It evaluates the ability to choose between standalone, clustered, and high-availability setups, and to plan appropriately based on scenario-based requirements for capacity and deployment type, ensuring well-designed cloud solutions.</li> </ul>
Topic 6	<ul style="list-style-type: none"> <li>Installing, Configuring, and Setting Up: This section of the exam measures skills of Implementation Specialists and covers the end-to-end setup process for vRealize Suite Lifecycle Manager, vRealize Operations, and Log Insight. It includes prerequisites, installation steps (manual and automated), identity and access configuration, environment settings, data sources, content packs, and system integrations to enable a functional cloud management platform.</li> </ul>

## Valid 2V0-32.24 Mock Exam | 2V0-32.24 Exam Syllabus

The policy of "small profits" adopted by our company has enabled us to win the trust of all of our 2V0-32.24 customers, because we aim to achieve win-win situation between all of our customers and our company. And that is why even though our company has become the industry leader in this field for so many years and our 2V0-32.24 exam materials have enjoyed such a quick sale all around the world we still keep an affordable price for all of our customers and never want to take advantage of our famous brand. What is more, you can even get a discount on our 2V0-32.24 Test Torrent in some important festivals, please keep a close eye on our website, we will always give you a great surprise.

## VMware Cloud Operations 8.x Professional V2 Sample Questions (Q22-Q27):

### NEW QUESTION # 22

An administrator is tasked with installing vRealize Log Insight using vRealize Suite Lifecycle Manager (vRSLCM). They have been instructed to use DHCP for the deployment.

Which statement about this scenario is correct?

- A. Static IP addresses are required for any product deployment in vRSLCM
- B. A default gateway does not need to be supplied for the deployment
- C. DHCP addresses are only supported for the cluster virtual IP address (VIP)
- D. DHCP addresses are only supported for vRealize Log Insight worker nodes**

**Answer: D**

Explanation:

In vRealize Suite Lifecycle Manager (vRSLCM), DHCP addresses can be used for vRealize Log Insight worker nodes. However, static IP addresses are typically recommended for the management and master nodes to ensure stability and consistency in the deployment. DHCP addresses are not recommended for the primary or management nodes because they might change after a reboot, causing issues with connectivity and accessibility.

### NEW QUESTION # 23

An administrator would like to monitor third-party storage array metrics in vRealize Operations.

Which three steps should the administrator take to complete this objective? (Choose three.)

- A. Download the Management Pack from the VMware Marketplace to the local system**
- B. Download the PPK file from VMware Marketplace
- C. Install and configure the Management Pack**
- D. All Management Packs are installed & configured by default when installing the vRealize Operations
- E. Download the Content Pack from VMware Marketplace**
- F. Verify that the Management Pack is supported for the specific vRealize Operations version/edition from the VMware

## Compatibility Guide

### Answer: A,C,E

Explanation:

Download the Content Pack from VMware Marketplace: To monitor third-party storage arrays, you need to obtain the relevant content pack, which contains predefined dashboards, reports, and other resources.

Download the Management Pack from the VMware Marketplace to the local system: The necessary management pack, which includes the integrations required to monitor third-party storage arrays, must be downloaded from the VMware Marketplace.

Install and configure the Management Pack: After downloading, the management pack needs to be installed and configured in vRealize Operations to enable monitoring of the third-party storage array.

## NEW QUESTION # 24

An administrator has been tasked with deploying vRealize Operations using a new vRealize Suite Lifecycle Manager (vRSLCM) instance that has already been configured with VMware Identity Manager.

Which item must be configured in vRSLCM before the administrator can complete the deployment?

- A. A registered authentication provider
- B. A valid license for vRealize Suite Lifecycle Manager
- C. Outbound notifications settings
- D. A valid license for vRealize Suite

### Answer: A

Explanation:

Before completing the deployment of vRealize Operations through vRSLCM, an authentication provider must be registered. This step ensures that users can authenticate using appropriate credentials, which is especially important when VMware Identity Manager is already configured. Without a registered authentication provider, users would not be able to access the environment or perform necessary tasks.

## NEW QUESTION # 25

An administrator has been tasked with implementing a solution to meet the following requirements:

Provide monitoring and predictive analytics across enterprise database solutions  
Provide monitoring and predictive analytics across enterprise networking solutions  
Provide performance data for common enterprise application solutions  
Provide performance data for VMware Tanzu Application Service  
Present all collected data to administrators within a single portal  
Provide vendor support for the deployed solution  
Which solution could help the administrator complete this task?

- A. vRealize Log Insight and vRealize Suite Lifecycle Manager
- B. vRealize Operations using a community created management pack
- C. vRealize Operations and vRealize True Visibility Suite
- D. vRealize Operations using the Endpoint Operations Agent

### Answer: C

Explanation:

vRealize Operations, combined with vRealize True Visibility Suite, provides comprehensive monitoring and predictive analytics across various enterprise solutions such as databases, networking, applications, and VMware Tanzu Application Service. The True Visibility Suite includes a wide range of management packs for different technologies, which allows the collection and visualization of performance data for these enterprise solutions in a single portal. Additionally, the suite offers vendor support, ensuring reliable integration and support for the deployed solution.

## NEW QUESTION # 26

Which VMware product provides continuous performance optimization, efficient capacity and cost management, intelligent remediation, and integrated compliance as a subscription based service?

- A. vRealize Operations Cloud
- B. vRealize Log Insight Cloud
- C. vRealize Operations

- D. vRealize Log Insight

**Answer: A**

Explanation:

vRealize Operations Cloud is a subscription-based service that delivers continuous performance optimization, efficient capacity and cost management, intelligent remediation, and integrated compliance. It leverages the cloud to provide these features, which allow organizations to manage and optimize their environments more effectively and with flexibility.

**NEW QUESTION # 27**

.....

Our 2V0-32.24 study materials target all users and any learners, regardless of their age, gender and education background. We provide 3 versions for the clients to choose based on the consideration that all the users can choose the most suitable version to learn. The 3 versions each support different using method and equipment and the client can use the 2V0-32.24 Study Materials on the smart phones, laptops or the tablet computers.
